

MODIFICATION NO. 8
TO
CONTRACT NUMBER VA-180315-GARG
BETWEEN THE
COMMONWEALTH OF VIRGINIA
AND
Gartner Inc.

This Modification No. 8 ("**Modification**") is an agreement between the Virginia Information Technologies Agency ("**VITA**"), pursuant to § 2.2-2012 of the *Code of Virginia* and on behalf of the Commonwealth of Virginia ("**Commonwealth**"), and Gartner Inc. ("**Supplier**"), to modify and amend Contract No. VA-180315-GARG ("**Contract**") in accordance with the terms and conditions of this Modification. This Modification and any attachments thereto is, upon execution by VITA and Supplier (each a "**Party**" and, collectively, the "**Parties**"), incorporated into and made an integral part of the Contract.

Capitalized terms used in this Modification have the meaning ascribed to them in the Contract unless otherwise defined in this Modification.

In consideration of the recitals set forth above, which are hereby restated and agreed to by the Parties, and for valuable consideration, the receipt and sufficiency of which is hereby acknowledged by the Parties, Supplier and VITA agree to amend the Contract as follows:

1. Attachment A to this Modification hereby replaces Exhibit B of the Contract. Attachment A contains links to descriptions and usage guidelines. These links support Section 6.D of the Contract, and do not introduce any new terms and conditions. In the event of any conflict between the Contract and the language contained within the links in Attachment A to this Modification, the Contract shall take precedence.

The changes set forth in this Modification are effective immediately.

The foregoing is the complete and final expression of the agreement between Supplier and VITA to modify the Contract and cannot be modified, except by writing signed by duly authorized representatives of both parties.

ALL OTHER TERMS AND CONDITIONS OF THE CONTRACT REMAIN UNCHANGED.

PERSONS SIGNING THIS MODIFICATION ARE AUTHORIZED REPRESENTATIVES OF EACH PARTY TO THE CONTRACT AND ACKNOWLEDGE THAT EACH OF THE SUPPLIER AND THE COMMONWEALTH AGREES TO BE BOUND BY THE TERMS AND CONDITIONS OF THE CONTRACT.

Gartner for Technical Professionals
 Gartner for Technical Professionals (GTP) provides research for technical teams to deliver flawless execution of the CIO's Strategy. GTP research is written for the IT practitioners in the organization, such as architects, engineers, analysts, and IT managers. This research is more in-depth and technical, with the typical report at 20-40 pages, and provides how-to guidance that is focused on technical planning, architecture and design, technical product evaluation, overall project execution, and essential skills of technical teams. As a prerequisite to purchasing Gartner for Technical Professionals, clients must already have a minimum amount of contract value in one or more Gartner End User products.

Purchasing Guidelines

¹ "Single User" applies to a buying center that has one individual license; "Multi User" applies to a buying center that has at least two qualifying licenses within the same agency or named client. To qualify for Multi User price levels, services must be ordered on the same Service Agreement or

Purchase Order and reflect a common "Bill To" address. Strategic Advisory Services, Conferences, and Add-on services do not contribute towards Multi User pricing qualification.

² Team licenses require the purchase of a team configuration and are not available for purchase as standalone licenses. Certain team solutions are invitation only services as indicated in the pricing table. A maximum of one (1) Leader and three (3) to ten (10) Members per team unless otherwise indicated in the list above. A minimum of three (3) Advisor and/or Cross Function team member licenses required per Enterprise IT Leadership Leader and per Partner license. All licenses in a Team must be coterminous and of the same team type. For example, a Team Plus configuration may only contain Team Plus licenses and cannot include other types of team licenses such as Team Plus with Industry, Team (non-Plus), etc. Team solutions with Industry Advisory Services is for one industry and all licenses in the team must purchase access to the same industry.

³ Availability is limited. Please check with your Gartner Sales representative before ordering.

⁴ Purchasing prerequisite and/or eligibility requirements apply. Check with Sales representatives before purchasing.

⁵ Technical Professionals Team licenses require the purchase of a team configuration and are not available for purchase as standalone licenses. Each Technical Professionals Team consists of one (1) Team Leader and four (4) Team Member coterminous licenses. Up to six (6) additional Team Members may be added for a maximum total of ten (10) Team Members per Team Leader.

⁶ Renewal Only and Renewing Subscriber services and pricing are available to eligible license holders who purchased the service listed on or before the date specified above or below and continuously purchase the service thereafter. Please check with Sales Representative for availability and eligibility before ordering.

* Industry Advisory Services Add-on IT Executives must be coterminous with the base IT Executives license and requires the purchase of the same Industry Add-on license for each user within the IT Executives license (CIO Signature must purchase for the Member and each Delegate).

** Aggregate Legacy Core IT Research Reference and Advisor licenses at the Agency/Operating Unit level only on a single Purchase Order to determine license quantity price level. Once the Legacy Core IT Research aggregate drops to a lower license quantity price level, lower license quantity price level applies going forward and no longer qualifies to raise the price level to a higher licenses quantity price level. Core IT Research to IT Leaders or Industry Advisory Services promotional migration options may be available. Please check with your Gartner Account Executive for details.

⁷ Gartner for CIOs team solutions require the purchase of a team configuration and are not available for purchase as standalone licenses. A maximum of one Leader per team. Each Leader type license must have one (1) to ten (10) team member licenses. All licenses in a Team with Industry solution must purchase access to the same industry. All licenses in a team must be coterminous and of the same team type. For example, a CIOs Team Plus with Industry configuration may only contain CIOs Team Plus with Industry licenses for the same industry and

cannot include other types of team licenses such as Team Plus (no Industry), Team (no industry, non-Plus), Global CIO Team etc.

⁸ Ticket prices apply to orders received by December 31st of the year indicated for the start of each term. For example, ticket prices for Year 2023 applies to orders received on or before December 31, 2023. Future ticket prices have not been released; please check with account representatives for future pricing at the time of purchase.

⁹ Higher Education products are only available to eligible public and not-for-profit Higher Education colleges or universities with undergraduate students pursuing two-year associate or four-year baccalaureate degrees in information technology. A Core IT Research Reference for Higher Education license is for one designated, student campus based on the total full-time equivalent (FTE) student enrollment of the college or university, as assessed at the time of purchase. Purchasing prerequisites apply. Check with Sales representatives before purchasing.

¹⁰ Gartner for CIOs, CISOs, CDAOS, and other like kind role-based team solutions require the purchase of a team configuration and are not available for purchase as standalone licenses. A maximum of one Leader per team configuration. Each Leader must have one (1) to ten (10) coterminous Team Member licenses. All licenses in a team configuration must purchase coterminous access to the same role-based service level solution. For example, a Gartner for CISOs Executive team configuration may only contain Gartner for CISOs Executive team licenses and cannot include other types of licenses such as self-directed or Gartner for CDAOs Executive licenses Team etc. A CIOs Team Plus with Industry configuration may only contain CIOs Team Plus with Industry licenses for the same industry and cannot include other types of team licenses such as Team Plus (no Industry), Team (no industry, non-Plus), Global CIO Team etc.
