

**MODIFICATION #5
TO
CONTRACT NUMBER VA-171023-CELL
BETWEEN
THE COMMONWEALTH OF VIRGINIA
AND
CELLCO PARTNERSHIP D/B/A VERIZON WIRELESS**

This MODIFICATION is an agreement between the Commonwealth of Virginia, Virginia Information Technologies Agency (hereinafter referred to as "VITA"), and Cellco Partnership, a Delaware general partnership d/b/a Verizon Wireless (hereinafter referred to as "Supplier" or "Verizon Wireless"). Once executed by both parties, this Modification is hereby incorporated into and made part of Contract VA-171023-CELL.

Verizon Wireless classifies "actively engaged and deployed" as the government liable/paid wireless lines of service of Fire departments, Police (and Sheriff) departments, EMT, and EMA. This classification was made to support the many Fire and Police departments procuring their VZW wireless services under State, Commonwealth, or City accounts. The State and City Verizon Wireless billing accounts may not have a NAICS code that designates them as a Fire or Police department. Our objective is to not penalize this group of Fire or Police departments and afford them the ability to receive their service plans based on the fact that they are truly Fire and Police Departments versus how their Verizon Wireless billing accounts may be managed by the State, Commonwealth, or City purchasing teams.
