<b>Service Rate Plan #</b>	53974
<p><b>Notes:</b> Current coverage details and additional plan information can be found at <a href="http://www.verizonwireless.com">www.verizonwireless.com</a>. These price plans are restricted to the Verizon Wireless 5G Ultra Wideband ® network and 4G network (domestic and international roaming are not available). Service may fall back to the 4G LTE network if the Verizon Wireless 5G Ultra Wideband network becomes temporarily unavailable. Verizon’s 4G LTE network is a separate network from Verizon’s 5G Ultra Wideband network. *This plan is for mobile broadband service and can only be activated on select compatible Customer-provided data routers that enable 5G Ultra Wideband (specifically C-Band) service. Customer will be required to purchase or provide a Verizon approved, compatible 5G-enabled C-Band receiver/router, and any necessary installation or connection to the Verizon Wireless network. Customer should contact Customer’s account representative to determine if a Customer-provided router is compatible. <sup>1</sup>Speeds represent the maximum download speed but may be lower in the event of network congestion. Uplink speeds may be lower than downlink speeds.</p> <p>This plan is a fixed location plan, and 5G Ultra Wide service is being provided at the qualified service address that Verizon Wireless approved at the time the Service was activated. Where Customer chooses to use the Service in a mobile environment, Customer acknowledges and agrees that Service may fall back to Verizon’s 4G LTE network where Verizon Wireless 5G Ultra Wideband service is not available. In order to protect its network, operations, and other customers, Verizon Wireless may suspend or terminate service to affected lines with prior written notice, deny activation of new lines or, upon Legal Notice, may terminate the Service, if Customer uses the Wireless Service or Devices (a) in an illegal or improper manner (including "spamming" or other abusive messaging or calling); (b) in a manner prohibited by these terms; or (c) in a manner that, in Verizon Wireless’s sole discretion, has an adverse impact on its network, operations or customers.</p>
