

**MODIFICATION #14 TO  
AGREEMENT NUMBER VA-171023-TMO  
BETWEEN THE  
COMMONWEALTH OF VIRGINIA  
AND  
T-MOBILE USA, INC**

This MODIFICATION is an agreement to modify Contract No. VA-171023-TMO (the “Contract”) as set forth herein, as permitted by the original terms of the Contract between the Commonwealth of Virginia, Virginia Information Technologies Agency (hereinafter referred to as “VITA”), and T-Mobile USA, Inc. (hereinafter referred to as “Contractor” or “T-Mobile”). Once executed by both parties (“Amendment Effective Date”), this Modification is hereby incorporated into and made part of the Contract.

- 1) The Parties agree that this Modification #14 is intended to supersede and replace Modification #12 to the Contract. As of this Amendment Effective Date, Modification #12 will no longer be of any force or effect.
- 2) **Eligible Plans and Device Subsidies.** T-Mobile agrees to provide subsidized device pricing (“Device Subsidy”) on the eligible smartphones, tablets and hotspots listed below to VITA for new or existing lines of Service activated on the eligible Contract rate plans listed below in this Section 2. Each Authorized User that receives a Device Subsidy will be eligible to upgrade active lines of Service after twenty-four (24) months of continuous service (“24-Month Upgrade Term”) at the Subsidized Device Price and will not be otherwise eligible for a 13-month upgrade term pursuant to Section 5.E of the Contract.

For further clarification, the 24-Month Upgrade Term as outlined in this Section 2 will apply to Authorized Users that receive a Device Subsidy for lines of Service activated on the eligible Contract rate plans listed below in this Section 2. Existing T-Mobile Subscribers that are on Contract plans other than the rate plans in this Section 2: i) will continue to be eligible for a 13-month upgrade term pursuant to Section 5.E of the Contract; and ii) may only migrate to the plans below with a Device Subsidy once the existing T-Mobile line of Service has fulfilled the 13-month upgrade term.

Customer provided devices (“BYOD Devices”) are eligible to receive a Device Subsidy on an upgraded device during the Term, subject to the terms and conditions outlined in Section 2 above. This offer is exclusive to and is valid only for orders placed by VITA on behalf of an Authorized User as defined in the Contract Scope on the rate plans listed in this Section 2 below.
