## 1.0 Introduction

This Exhibit contains a summary description of the format, content, and frequency of key reports required by VITA. This Exhibit may not include all reports currently provided by the In-Scope organizations or otherwise requested or required pursuant to the Agreement. However, the Supplier is required to provide any and all such reports regardless of their inclusion in this Exhibit.

The Supplier will continue to work with VITA to determine any key reports required as part of the Agreement.

Verizon Agrees and will comply.
