Authorized Users with concerns or issues are required to escalate performance items to the HP Contract Sales Manager listed as the point of contact in the contract first for resolution within the 30-day period. If resolution is not received to the User Agency satisfaction, the User Agency has ability to file a formal complaint with the State Procurement office. If the State procurement office receives a large volume of high-level non-performance complaints that were not addressed by HP within two quarters of a given year, excluding items beyond the Contractors control, the State will have the ability to provide the Supplier 30 day notice to address the remedies for the State determination of next step.
