Prior to the Contract's expiration date, Supplier may be provided contract closeout documentation by VITA. If contract closeout documentation is provided, then Supplier shall complete, sign, and return to VITA Supply Chain Management any required documentation within 30 calendar days of receipt to ensure completion of closeout administration and to maintain a positive performance reputation with the Commonwealth. Any required closeout documentation not received within 30 calendar days of Supplier's receipt of the Commonwealth's request will be documented in the contract file as Supplier non-compliance. In no event may Supplier subcontract to any Subcontractor that is debarred by the Commonwealth or that owes back taxes to the Commonwealth and has not made arrangements with the Commonwealth for payment of such back taxes.

If Supplier subcontracts the provision of any performance obligation under this Contract to any other party, Supplier shall (i) act as prime contractor and will be the sole point of contact with regard to all obligations under this Contract; and (ii) represent and warrant that any authorized Subcontractors shall perform in accordance with the warranties set forth in this Contract.

5. NEW TECHNOLOGY

Supplier will bring to VITA's attention any new products or services within the scope of the Contract that Supplier believes will be of interest to VITA and will work to develop proposals for the provision of any such products or services as VITA requests.

If new or replacement product or service offerings become available and cannot be competitively provided by the Supplier under the scope of this Contract, VITA will have the right to purchase the new or replacement products or services from a third party. If VITA elects to use such new or replacement product or service offerings, Supplier will reasonably assist VITA to migrate to such products or services.

If VITA elects to acquire new products or services as described in the paragraph above and such services replace existing Supplier-provided services, discount tiers and any commitments (as applicable per the Contract) will be reduced to reflect reductions in purchases of the replaced products or services.

6. GENERAL WARRANTY

THE OBLIGATIONS OF SUPPLIER UNDER THIS GENERAL WARRANTY SECTION ARE MATERIAL. SUPPLIER MAKES NO OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION ANY CONCERNING MERCHANTABILITY OR FITNESS FOR ANY OTHER PARTICULAR PURPOSE.

otherwise has, to the best of its knowledge, the right to grant to the Commonwealth or any Authorized User title or the right to use the Product provided pursuant to this Contract. Upon Supplier's receipt of payment, the Commonwealth or ordering Authorized User, as applicable, will obtain good and clear title to the Product, excluding the System Software, free and clear of all liens, claims, security interests, and encumbrances.

B. Coverage Period

During the warranty period of 90 calendar days, or as specified in the applicable order or SOW, Supplier warrants that any Deliverables provided by Supplier under this Contract will meet or exceed the Requirements. Supplier shall correct, at no additional cost to any Authorized User, all errors identified during the warranty period that result in supplier's failure to meet the Requirement, or its contractual obligations.

ii. All Deliverables provided or delivered pursuant to this Contract are at the current release level unless an Authorized User specifies an older version in its order or SOW.

iii. No Update, engineering change, or revision made to any Supplier-provided Deliverables will (a) degrade the performance of any Deliverable or its components to a level below that defined in the Requirements or the Product manufacturer's or Software Publisher's published specifications, as applicable; (b) cause any other warranty to be breached; or (c) require an Authorized User to acquire additional hardware equipment or software.

D. Malicious Code

Supplier has used commercially reasonable efforts through quality assurance procedures to verify that there are no Computer Viruses or undocumented features in any of the Deliverables, as obligated and provided by Supplier under the order or SOW, at the time of delivery to the Authorized User. Supplier has used the best available means to scan any media provided to the Authorized User. Supplier warrants that the Deliverables, as obligated and provided by Supplier under the order or SOW, do not contain any embedded device or code (e.g., time bomb) that is intended to obstruct or prevent any Authorized User's use of the Deliverables.

Notwithstanding any rights granted under this Contract or at law, Supplier waives, under any and all circumstances, any right it has or may have in the future to exercise its license termination rights by electronic means. Supplier agrees that an Authorized User may pursue all remedies provided under law in the event of a breach or threatened breach of this section, including injunctive or other equitable relief.

E. Supplier's Viability

Supplier has the financial capacity to perform and continue to perform its obligations under this Contract. Supplier has no constructive or actual knowledge of a potential legal proceeding being brought against Supplier that could materially adversely affect performance of this Contract. Further, Supplier is not prohibited by any contract, or order by any court of competent jurisdiction from entering into this Contract.

F. Supplier's Past Experience

Supplier has met similar contractual obligations and fulfilled the Requirements as set forth in Exhibit A and in this Contract, in similar or greater complexity, to other customers without significant problems due to Supplier's performance and without causing a contractual breach or default claim by any customer.

7. SCOPE OF USE

Any Authorized User may use the Product, and any Software licensed in connection with the Product, on a worldwide basis for the benefit of itself and its agents. Supplier further authorizes use of the Product by third parties who are under contract with an Authorized User to provide outsourcing

services. If the Commonwealth or an Authorized User takes title under the terms of this Contract to any Products with System Software that is integral to the Products, there will be no restrictions on subsequent resale or distribution of the Products and System Software by the Commonwealth or the Authorized User.

8. DELIVERY AND INSTALLATION

A. Delivery Procedure

Supplier shall deliver all Products F.O.B. destination, with the destination being the "ship to" address specified in the applicable order or SOW. If the order or SOW stipulates that the Supplier will provide installation of the Product, Supplier will bear all risk of loss of or damage to the Product until Receipt/Acceptance by the Authorized User. If the order or SOW stipulates that the Supplier will not provide installation of the Product, Supplier will bear all risk of loss or damage to the Product until Receipt. In all cases, Supplier shall arrange and pay for all transportation and insurance sufficient to fully protect the Product while in transit. Each shipment must include a packing slip indicating this Contract number, the Authorized User's order number, the SOW number, if applicable, the part number, a description of the Product shipped and the quantity shipped. Each package in any shipment must (i) be numbered; (ii) have a description stenciled on the outside indicating the quantity of Product contained by part number and description; and (iii) must conspicuously display the number of the package in that shipment which contains the packing slip. If required by the Authorized User, Supplier shall bar code all packages shipped. If any loss to, or damage of, the Product occurs prior to Acceptance by the Authorized User, Supplier shall immediately provide a replacement item. Title to Product, excluding System Software, will pass upon Acceptance.

Supplier will make available all appropriate and required Documentation at the time of delivery of the first unit of each different Product type. Product delivered without the appropriate and required Documentation will be considered "shipped short" until the applicable documentation has been received.

B. Late Delivery

Supplier acknowledges and agrees that failure to deliver the Product ordered in strict accordance with the agreed upon delivery schedule as set forth in this Section will constitute a material breach of this Contract resulting in damages to the ordering Authorized User, the total sum of which would be impracticable or impossible to ascertain as of the Effective Date of this Contract. As an estimate of the minimum amount of damages such Authorized User will suffer, Supplier agrees to credit the Authorized User an amount equal to one half of one percent (.05%) of the total purchase price for each day that the Product is undelivered or nonoperational for a period of 30 calendar days following the agreed upon delivery date, or if none specified, following the date order or SOW was received by Supplier. If the delay lasts longer than thirty (30) calendar days, the Authorized User may immediately cancel the order or SOW and collect as late delivery damages two percent (0.2%) of the total purchase price. Any credit due the Authorized User will be applied to the next periodic invoice.

In addition, in the event the Supplier fails for any reason to deliver the Product within thirty (30) calendar days of the agreed upon delivery date set forth in the order/schedule, or if no date was specified, following the date the order or SOW was received by Supplier, then the ordering Authorized User, at its own discretion, may give Supplier oral or written notice of breach regarding the subject order or SOW. Once notice by the Authorized User is sent or given, the Authorized User may immediately procure the undelivered items, or substantially similar items, from another source. Once the Authorized User has effected a purchase from an alternate source, the Authorized User may charge-back Supplier. Supplier agrees to reimburse the Authorized User for any difference in cost between the original contract price and the Authorized User's cost to cover from the alternate source. In no event will any Authorized User be held to pay Supplier any costs incurred by Supplier, including but not limited to ordering, marketing, manufacturing, or delivering the item(s), which are subject of such Authorized User's notice of breach. Further, the Authorized User reserves any and all other remedies available at law or in equity.

C. Product Trade-in and Upgrade

To be determined upon execution of contract.

D. Product Installation

Unless otherwise agreed, Supplier shall provide the initial installation of all Product at no additional charge. Installation will include: unpacking, removal of all shipping/packing materials, positioning, connecting to internal utility services, testing, and related necessary services to allow for Acceptance by the Authorized User.

All Product installations shall comply with building and facilities standards established by the ordering Authorized User. If Authorized User installs the Product, Supplier shall provide all reasonably necessary telephone assistance at no charge.

9. ACCEPTANCE

A. Product Acceptance

Product will be deemed accepted when the ordering Authorized User determines that the Product successfully operates in accordance with the Requirements. The Authorized User shall commence Acceptance testing within five (5) calendar days, or within the period set forth in the applicable order or SOW, after Receipt/installation of the Product. Acceptance testing will be no longer than ten (10) calendar days, or any longer period as may be agreed in writing between Authorized User and Supplier. Authorized User shall provide to Supplier written notice of Acceptance upon successful Acceptance testing. Should Authorized User fail to provide Supplier written notice of successful or unsuccessful Acceptance testing within five (5) calendar days following the Acceptance testing period, the Product(s) will be deemed Accepted.

Throughout the Acceptance testing period, Supplier shall provide to the Authorized User any assistance and advice as the Authorized User may reasonably require. Supplier shall provide this assistance and advice at no additional cost, other than pre-approved travel expenses incurred which are reimbursable by the Authorized User pursuant to the terms and conditions of the "Reimbursement of Expenses" section of this Contract below.

B. Cure Period

Supplier shall correct any non-conformities identified during Acceptance testing and re-submit the corrected Product for re-testing within seven (7) calendar days of Supplier's receipt of a written notice of non-conformance, or as otherwise agreed between the Authorized User and Supplier in the applicable order or SOW. If Supplier fails to cure the non-conformity or deliver Product that meets the Requirements, the Authorized User may, in its sole discretion: (i) reject the Product in its entirety and recover amounts previously paid to Supplier; (ii) issue a "partial Acceptance" of the Product with an equitable adjustment in the price to account for such deficiency; or (iii) conditionally accept the applicable Product while reserving its right to revoke Acceptance if timely correction is not forthcoming. Failure of a Product to meet, in all material respects, the Requirements after the second set of acceptance tests may constitute a breach by Supplier. In the event of such breach, the Authorized User may, at its sole discretion, terminate its order or SOW, in whole or in part, for the Product and any Services to be provided by Supplier.

Supplier shall issue invoices that identify, at a minimum:

- i. Dates/periods that invoice covers, including any service or subscription periods, as applicable.
- ii. Line item description of the Deliverable(s) applicable to this Contract, including any components or service type, and, if applicable, the project milestone.
- iii. Quantity, charge and extended pricing for each line item
