7. SUPPLIER PROCUREMENT AND SUBCONTRACTING PLAN

While the vast majority of the installation work by the ESVBA is done in-house, it is the policy of the ESVBA, as stated in our procurement policy to contribute to the establishment, preservation and strengthening of small businesses including small businesses owned by women, minorities or service-disabled veterans, and to encourage their participation in our activities.

As a public entity, all our procurement is done by formal bid or quotation and we actively seek responses from SWaM disabled veteran suppliers. In part we do this with solicitations posted on eVA.
