G. Supplier’s Viability

Supplier has the financial capacity to perform and continue to perform its obligations under this Contract. Supplier has no constructive or actual knowledge of a potential legal proceeding being brought against Supplier that could materially adversely affect performance of this Contract. Further, Supplier is not prohibited by any contract, or order by any court of competent jurisdiction from entering into this Contract.

H. Supplier's Past Experience

Supplier has met similar contractual obligations and fulfilled the Requirements as set forth in Exhibit A and in this Contract, in similar or greater complexity, to other customers without significant problems due to Supplier's performance and without causing a contractual breach or default claim by any customer.

7. SERVICES

A. Nature of Services and Engagement

Supplier is an independent contractor engaged to function as an MSP to provide managed services, including but not limited to the management of life cycle processes for the engagement of IT contract labor, the VMS, and management of Supplier's Subcontractor base.

VITA, in its sole discretion, may cancel any Order or SOW of an Authorized User resulting in a commitment of any individual Supplier personnel for more than 1,000 hours of work during any six (6) month period or of any such individual Supplier personnel for more than eight (8) months in any twelve (12) month period. Any Order or SOW cancelled by VITA will no longer be binding on either Party, and all obligations with respect to the cancelled Order or SOW shall expire.

B. Performance of Services

Supplier shall provide, through its network of Subcontractors, personnel qualified to perform the Services required by any Order or SOW issued pursuant to this Contract. If any ITCL resource provided by Supplier fails to perform at an acceptable level of achievement of the Requirements set forth in the Contract, or an Order or SOW, the applicable Authorized User will have the right to request that Supplier immediately remove such ITCL resource from performing on the Staff Augmentation Order or SOW project and replace the ITCL resource with a more qualified individual.

C. Deliverable Testing

Supplier shall ensure any individual Deliverable functions properly with any other Deliverables. In the event that a previously Accepted Deliverable requires further modification in order to work properly with any other Deliverable, Supplier shall be responsible for all costs associated with the modification.

Authorized User shall commence testing within 10 business days after delivery and notification by Supplier that the Deliverable or Service is ready for testing, or within such other period as set forth in the applicable Order or SOW. At the end of the testing period, Authorized User will deliver to Supplier a written notice that Authorized User accepts or rejects the Deliverable or Service. If Authorized User has not provided a written response to testing within seven calendar days following the end of the testing period, Supplier may provide written notice to Authorized User requesting a written determination of the results of testing within seven calendar days. If written determination is not provided by Authorized User within thirty calendar days of request, the Deliverable or Service will be deemed accepted, unless mutually agreed by the parties. Supplier shall provide the Authorized User all assistance and advice as the Authorized User may reasonably require, at no additional cost, during testing.

D. Cure Period

Supplier shall correct all non-conformities identified during testing and re-submit the non-conforming Deliverable or Service for re-testing within seven (7) calendar days of Supplier's receipt of written notice of non-conformance. Should Supplier fail to cure the non-conformity or deliver a Service which meets the Requirements, the Authorized User may, in its sole discretion:

- i. reject the Deliverable or Service in its entirety, and any Service rendered unusable due to the non-conforming Service, and recover amounts previously paid to Supplier for all such Services;
- ii. issue a "partial Acceptance" of the Deliverable or Service with an equitable adjustment in the price to account for such deficiency; or
- iii. conditionally Accept the applicable Deliverable or Service while reserving its right to revoke Acceptance if Supplier fails to make a timely correction.

Failure of a Deliverable or Service to meet, in all material respects, the Requirements after the second period of testing will constitute a breach by Supplier.

E. Warranty Period

Supplier warrants to each Authorized User all Deliverables and Services for a period of 90 days from the date of Acceptance, or such longer period as provided in the Order or SOW.

F. Implementation Plan

Supplier shall provide the Services in accordance with the Implementation Plan set forth in Exhibit K, which is attached to this Contract and incorporated by reference. Supplier and VITA agree to document all necessary details of the Implementation Plan within 30 calendar days of the Effective Date.

8. RIGHTS TO WORK PRODUCT

A. Work Product

VITA and Supplier mutually acknowledge that performance of this Contract may result in Work Product. The Parties shall document all Work Product specifications and these specifications will be set forth in Exhibit A and incorporated into this Contract. In the event that there is a need for Work Product not set forth in Exhibit A, then VITA, or the applicable Authorized User, will set forth the specifications for any such future desired Work Product within the scope of this Contract under an applicable SOW pursuant to this Contract. Supplier shall promptly and fully disclose to the Commonwealth or the Authorized User any and all Work Product generated, conceived, reduced to practice, or learned by Supplier or any Supplier personnel, either solely or jointly with others, during the term or performance of this Contract, which in any way relates to the business of the Commonwealth, VITA, or any Authorized User. Supplier and Supplier personnel shall not make use of, or disclose to others, any proprietary information relating to the Work Product, other than as is required in the performance of this Contract. All Services performed pursuant to this Contract will include delivery of all source and object code and all executables and documentation for all Work Product. At no time may Supplier deny VITA or an Authorized User access to the Work Product, regardless of form.

B. Ownership of Work Product

All Work Product discovered, created, or developed under this Contract, or in the course of executing a SOW issued pursuant to this Contract, is and will remain the sole property of the Authorized User, regardless of whether the Deliverable or Services are considered "works made for hire" or "hired to invent". Supplier agrees that the Authorized User will have all rights with respect to any Work Product discovered, created or developed under this Contract or SOW issued hereunder, without regard to the origin of the Work Product.

Supplier irrevocably transfers, grants, conveys, assigns and relinquishes exclusively to the Authorized User any and all right, title and interest it now has or may hereafter acquire in and to the Work Product under patent, copyright, trade secret and trademark law in perpetuity, or for the longest period otherwise permitted by law. If any moral rights are created, Supplier expressly waives all moral rights created in the Work Product. Supplier shall assist the Authorized User in every reasonable way to obtain and, from time to time, enforce patents, copyrights, trade secrets and other rights and protection relating to the Work Product. Upon the reasonable request by Authorized User with respect to the Work Product, Supplier and any required Supplier personnel shall execute all documents necessary for use in applying for and obtaining patents, copyrights, and other rights and protection, and in protecting trade secrets with respect to the Work Product.

Supplier shall require all Subcontractors to agree to transfer, grant, convey, assign and relinquish exclusively to the Authorized User any and all, right, title, and interest in any Work Product the Subcontractor may be entitled to claim any ownership interest in. Supplier shall require all Subcontractors to expressly waive all moral rights created in the Work Product, if any moral rights are created. Supplier shall also require any applicable Subcontractor to assist the Authorized User in every reasonable way to obtain and, from time to time, enforce patents, copyrights, trade secrets and other rights and protection relating to the Work Product. Supplier shall further require that Subcontractors and any required Subcontractor personnel execute all documents necessary for use in applying for and obtaining patents, copyrights, and other rights and protection, and in protecting trade secrets with respect to the Work Product, upon reasonable request of the Authorized User.

Supplier shall require all Subcontractors to agree that neither Supplier, Subcontractor, Subcontractor's employees, nor any party claiming through Supplier, Subcontractor, or

Subcontractor employees, will make use of or disclose to others any proprietary information relating to Work Product, other than is necessary in the performance of this Contract or a SOW issued pursuant hereto.

Supplier agrees that the provisions of this section will survive any termination of this Contract by VITA, or any SOW issued hereunder by an Authorized User. Supplier also agrees that in the event of a breach of this Contract, issued hereunder, by VITA or any Authorized User, Supplier's remedy will not include any right to rescind, revoke, or otherwise invalidate the provisions of this section.

Supplier acknowledges that in the case of an Authorized User which is a public body of the Commonwealth, all rights and remedies afforded that Authorized User under this section shall also be held and exercisable by the Commonwealth.

C. Ownership of Intellectual Property

Supplier represents and warrants that it is the sole and exclusive owner, or has the right to use, all Supplier Intellectual Property that is used in the course of performing the Services, provided that Supplier Intellectual Property was owned or licensed by Supplier prior to the Effective Date, or was developed, licensed, or obtained at Supplier's expense. Supplier will retain sole and exclusive ownership of Supplier Intellectual Property.

D. Pre-existing Work

If, and to the extent that, any pre-existing rights are embodied or reflected in the Work Product, Supplier grants to the Commonwealth and the Authorized User the irrevocable, perpetual, non-exclusive, worldwide, royalty-free right and license to (i) use, execute, reproduce, display, perform, distribute copies of, and prepare derivative works based upon such pre-existing rights and any derivative works thereof; and (ii) authorize others to do any or all of the foregoing. Supplier will retain all ownership rights in any pre-existing works.

E. Return of Materials

Upon termination of this Contract or in the event Authorized User terminates any Order or SOW issued pursuant to this Contract, Supplier shall immediately return to VITA or the appropriate Authorized User all copies, in whatever form, of any and all Confidential Information, Work Product and other properties provided by VITA or the Authorized User that are in Supplier's possession, custody, or control.

9. FEES, ORDERING, AND PAYMENT PROCEDURE

A. Fees and Charges

Supplier agrees that the fees payable to Supplier by Authorized Users under Orders and SOWs executed under this Contract will be consistent in all respects with the pricing set forth in Exhibit B to the Contract, and that those fees, if any, will fully compensate Supplier for all of its obligations under this Contract.

Beginning 18 months following the Effective Date, and annually thereafter, Supplier may request in writing an adjustment to the prices set forth in Exhibit B to this Contract based on the annual changes from the preceding year to the Consumer Price Index for All Urban Consumers (CPI-U), U.S. City Average, All Items, Not Seasonally Adjusted, as published by the Bureau of Labor Statistics of the Department of Labor (<http://www.bls.gov/cpi/home.htm>). Supplier and VITA will work in good faith to agree on an appropriate change in pricing. In no event will any annual price adjustment result in more than a 2% increase to Supplier's pricing. If VITA and Supplier agree to an adjustment to Supplier's pricing, Supplier must notify all Authorized Users in writing of all pricing changes applicable to new Orders or SOWs at least 60 calendar days prior to the effective date of the applicable pricing change. Supplier agrees to offer price reductions to ensure compliance with the "Competitive Pricing" section of this Contract.

B. Ordering

All Authorized Users have the right to purchase ITCL Services from Supplier under this Contract, but Authorized Users have no obligation to purchase any such ITCL Services from Supplier. Supplier shall accept any Order or SOW placed by an Authorized User through the Commonwealth's electronic procurement website portal, eVA (<http://www.eva.virginia.gov/>). Agencies, as defined by Code § 2.2-2006, and legislative, judicial, and independent agencies of

the Commonwealth, must order through eVA. All other Authorized Users are encouraged to order through eVA, but may order through the following means:

- i. Purchase Order (“PO”): An official PO form issued by an Authorized User.

Supplier shall not accept any Order or SOW from an Authorized User if the Order or SOW is to be funded, in whole or in part, by federal funds and if, at the time the Order or SOW is placed, Supplier is not eligible to be the recipient of federal funds as may be noted on any of the Lists of Parties Excluded from Federal Procurement and Nonprocurement Programs.

ALL CONTRACTUAL OBLIGATIONS UNDER THIS CONTRACT IN CONNECTION WITH AN ORDER OR SOW PLACED BY ANY AUTHORIZED USER ARE THE SOLE OBLIGATION OF SUCH AUTHORIZED USER AND NOT THE RESPONSIBILITY OF VITA UNLESS THE AUTHORIZED USER IS VITA.

C. Staff Augmentation

A PO issued through eVA or issued by an Authorized User is required for any IT Staff Augmentation Services obtained by an Authorized User pursuant to this contract. Supplier shall perform, through the use of Subcontractor personnel, any and all contractual obligations at the times and locations set forth in the applicable Order and at the rates set forth in Exhibit B. Supplier shall ensure that all Subcontractor personnel engaging in IT Staff Augmentation Services maintain daily reports of hours performed, which shall be submitted for approval by the applicable Authorized User.

D. Statement of Work (“SOW”)

A SOW, in the format provided for in Exhibit C attached to this Contract, is required for any ITCL Statement of Work Services obtained by an Authorized User pursuant to this Contract. Supplier shall perform, through use of Subcontractor personnel, any and all contractual obligations at the times and locations set forth in the applicable SOW.

Authorized Users obtaining Services through a SOW will use a competitive process established by VITA. Supplier will provide all support reasonably requested by VITA to establish and facilitate all phases of enrolling qualified Subcontractors to perform project and deliverable-based SOW engagements through that competitive process, in compliance with applicable law. VITA shall make all final decisions with regard to the enrollment of Subcontractors qualified to provide SOW Services. Supplier will work with VITA to facilitate and streamline competition when any Authorized User requests SOW Services to be performed by qualified Subcontractors. Supplier will provide support throughout the competitive process, including assisting Authorized Users in developing Requirements, receiving and reviewing proposals, and executing and managing the resulting SOW(s) for services. VITA retains sole discretion to approve or amend the competitive process.

All SOWs will be of a Fixed Price Type. The Fixed Price Type SOWs may, with the written approval of VITA, contain a cost-reimbursable line item(s) for pre-approved travel and material expenses pursuant to the provisions of the “Reimbursement of Expenses” subsection below. The Fixed Price Type SOW must include Deliverables and a milestone payment scheduled with such Deliverables. An Authorized User may include additional terms and conditions in its SOW; however, to the extent that the terms and conditions of the Authorized User’s SOW are inconsistent with the terms and conditions of this Contract, including any modifications hereto, the terms of this Contract shall supersede and the conflicting terms and conditions of the SOW will be of no force or effect. In no event will any SOW or modification thereto require the Supplier to perform any Services beyond the scope of this Contract.

Any change to an SOW must be described in a written change request, in the format provided in Exhibit D. Either Party to a SOW may issue a change request that will be subject to written approval of the other Party before it becomes an obligation to that Party. In no event will any SOW, change request, or any modification require the Supplier to provide any Services that are beyond the scope of this Contract as such scope is defined in Exhibit A, which is attached to this Contract and incorporated by reference.

In the absence of prior written approval, VITA may, in its sole discretion, cancel any modification to a SOW that extends the period of performance beyond six (6) months or increases the value of the SOW by more than 50%. In the event a SOW or SOW modification is cancelled by VITA, such

SOW or SOW modification will no longer be binding on any Party and all obligations with respect to such SOW or SOW modification will expire.

E. Invoice Procedures

Supplier shall remit each invoice to the "bill-to" address provided with the order promptly after all Supplier's performance obligations have been accepted and in accordance with the milestone payment schedule, if any, in the applicable Order or SOW. No invoice may include any costs other than those identified in the signed Order or SOW, and those costs must be in accordance with the schedule of fees listed on Exhibit B. Without limiting the foregoing, all shipping costs are the Supplier's responsibility except to the extent shipping charges are identified in Exhibit B and noted in any signed Order or SOW referencing this Contract. Supplier shall issue invoices that identify, at a minimum:

- i. Dates/periods that invoice covers, including any service periods, as applicable.
- ii. Line item description of the Services or Deliverable(s) applicable to this Contract, including any Components or service type, and, if applicable, the project milestone.
- iii. Quantity, charge and extended pricing for each line item
- iv. Applicable date of the Order or SOW or both
- v. This Contract number and the applicable Order number or SOW number or both
- vi. Supplier's Federal Employer Identification Number ("FEIN")

Any terms included on Supplier's invoice will have no force or effect and will in no way bind the Authorized User.

F. Purchase Payment Terms

Supplier is responsible for the accuracy of its billing information. Supplier may not issue invoices pursuant to this Contract until all of Supplier's performance obligations have been accepted and are in accordance with the milestone payment schedule in the applicable Order or SOW, or until after services have been rendered. Charges for Deliverables or Services accepted more than 90 calendar days prior to receipt of a valid invoice may not be paid. In the event Supplier repeatedly over-bills an Authorized User, the Authorized User may assess a one percent (1%) charge for the amount over-billed for each month that such over-billing continues.

G. Reimbursement of Expenses

An Authorized User will only be liable to pay for Supplier's travel-related expenses, including transportation, meals, lodging and incidental expenses, that have been authorized by the Authorized User in advance in the Order or SOW. The travel-related expenses will be reimbursable at the then-current per diem amounts and other travel regulations as published by the Virginia Department of Accounts (<http://www.doa.virginia.gov/>). Authorized Users who are not public bodies may have their own per diem amounts and other travel regulations applicable to Supplier's pre-approved travel expenses.

All reimbursed expenses will be billed to the Authorized User on a pass-through basis without any markup by Supplier. At Authorized User's request, Supplier shall provide copies of receipts for all travel expenses over US\$30.00.

H. Disputed Charges

If, before payment of an invoice, an Authorized User notifies the Supplier in writing of a disputed charge, Authorized User will have the right to withhold payment of the disputed amount until the dispute is settled or finally resolved. Supplier shall respond in writing to Authorized User's notification of a disputed charge acknowledging Supplier's receipt of the dispute within five (5) business days. Any charges disputed by Authorized User will be resolved (whether by credit or explanation of the charge to the Authorized User's satisfaction) in the Authorized User's required format within two (2) billing cycles (60 calendar days) following Authorized User's written notification. In the absence of the Supplier's written evidence identifying the merit of the disputed amounts, Authorized User will not be obligated to pay the disputed amounts and may consider the matter concerning the specific identified amounts closed. Authorized User will not pay any disputed amounts that remain unresolved after 120 calendar days. If a disputed charge is reversed, Supplier shall reverse all associated surcharges, regulatory charges and taxes.

10. ANNUAL OPERATION PLAN

Supplier shall complete an operational plan for submission to VITA annually to address the following items:

- i. Activities to market the Contract to other public bodies and localities.
- ii. Quarterly changes or updates to the Supplier portal, website, and other communication media.
- iii. Strategies to improve management and executive-level reporting.
- iv. Training schedule for Supplier's VMS to facilitate use of the VMS by Authorized Users and Subcontractors after version updating and maintenance.
- v. Initiatives to address continuous improvements for Subcontractor performance and management, operations and process management, program risk management, and agency and customer training and support.

Supplier will meet with VITA personnel responsible for managing the Contract for an annual planning session prior to the submission of the first operational plan, and prior to each subsequent updated annual operation plan.

11. REPORTING

Supplier shall submit to VITA monthly reports containing data on:

- i. Amount of Total Sales; and
- ii. Small Business Procurement and Subcontracting Spend

These reports must be submitted in accordance with the instructions and further detailed requirements set forth on the "Supplier & Vendor Reporting Requirements" webpage located at the following URL: <https://www.vita.virginia.gov/procurement/supplier-reporting/supplier--vendor-reporting-requirements/>, or any successor URL(s). Supplier is encouraged to review the site periodically for updates on Supplier reporting requirements and methods. Supplier's failure to comply with all reporting, payment, and other requirements in this section may be deemed by VITA, in its sole discretion, to be a breach of the Contract.

A. Amount of Total Sales

Supplier shall submit to VITA a monthly report of Total Sales under this Contract.

In connection to the monthly report of Total Sales, Supplier shall pay to VITA the following monthly fees in accordance with instructions described on the "Supplier & Vendor Reporting Requirements" webpage located at: <https://www.vita.virginia.gov/procurement/supplier-reporting/supplier--vendor-reporting-requirements/>. The monthly report of Total Sales must include these fees and percentages:

- IFA: 2% of monthly sales

B. Small Business Procurement and Subcontracting Spend

Supplier shall provide to VITA a report of monthly subcontracting spend data. This data must include Supplier's total spend to all Subcontractors who provide direct performance for obligations under this Contract. Supplier's monthly subcontracting spend data must be submitted via the SRS webpage located at: <https://www.vita.virginia.gov/procurement/supplier-reporting/supplier-reporting-system-access/>.

In addition, every six (6) months following the Effective Date, Supplier shall submit to VITA a "SWaM Subcontracting Certification of Compliance" ("SSCC") certifying that Supplier has fully complied with the Contract's Supplier Procurement and Subcontracting Plan ("Plan"). A copy of Supplier's Plan is attached to this Contract as Exhibit H, and is incorporated by reference. The SSCC must include a written explanation of any variances of greater than 20% between the Plan and the actual subcontractor spend by Supplier. Supplier's SSCC will be maintained by VITA in the Supplier's procurement file. Supplier must submit the SSCC to the following address: SCMInfo@vita.virginia.gov. In the event that Supplier fails to comply with its contractually obligated Plan spend or fails to report its contractually obligated Plan spend, VITA may, at its sole discretion, prohibit or delay any renewals or extensions of the Contract, withhold any final payments due, or both. Supplier's failure to comply will be considered in the prospective award of any future contracts with Supplier.

12. SERVICE LEVEL AGREEMENT REMEDIES AND CREDITS

Supplier and VITA agree to meet within 30 calendar days of the Effective Date of this Contract to set forth the methodology and designated personnel of each Party to provide, collect, monitor, and report the Service Level Agreement performance data and mutually agreed-to incentives and remedies. In the event that Supplier fails to meet the required service levels set forth in the Service Level Agreement attached to this Contract as Exhibit E and incorporated by reference, Supplier agrees to the following remedies:

i. For the first instance of Supplier having a below-threshold performance score in the service levels, Supplier will be given notice and Supplier representatives and the VITA contract manager will meet to develop a plan to improve on any areas of unsatisfactory performance within 30 days.

ii. If a second review occurs with minimal or no improvement in the areas of unsatisfactory performance, VITA will provide Supplier with formal, written notice of the deficiency and Supplier will be required to provide VITA with a written plan detailing how Supplier will correct the areas of unsatisfactory performance and improve its overall service score. Supplier shall provide the written plan to VITA within five (5) business days of Supplier's receipt of VITA's notice. Supplier will have 90 days from submission of its plan to VITA to correct any areas of unsatisfactory performance and improve its overall service score.

iii. If a third review finds below-threshold performance scores after the 90-day period, Supplier shall provide a one percent (1%) rebate on Supplier's MSP fee – less the eVA, VMS and IFA fees – for each month beginning from the date of Supplier's written plan to VITA. Supplier shall provide such rebate each month until the unsatisfactory performance is cured. Supplier shall provide this rebate to each Authorized User that provided revenue to Supplier during this rebate period.

Supplier shall identify and calculate all credits due for failure to meet any service level. Supplier's actual performance against all required service levels will be computed on a quarterly basis. Supplier shall ensure that all credits due to VITA are provided automatically without requiring VITA to submit a claim or request for such credit, and shall be clearly identified on the credit note to which they posted (including specifically identifying on the credit note the failure to meet the service level to which the service credit applies). Rebates or credits for service level failures will be issued no later than 60 days after the failure to meet the service level giving rise to the credit occurs.

13. OPERATIONAL STATUS MEETINGS AND REPORTS

Supplier will be prepared to conduct regular stewardship meetings with VITA, customer advisory groups, and senior management, to provide a broad review of all services, projects and ongoing operations. These status meetings will include, but not be limited to, the following:

i. Quarterly Business Review (“QBR”) – Review of program usage, spend and trends. Status should, at a minimum, include information on ITCL program usage, spend and trends, local labor market data, Subcontractor performance, Supplier performance to SLAs, continuous improvement plans (operations and cost reductions), and other activities to enhance the ITCL program.

ii. Monthly progress meetings as needed to review and discuss program initiatives and challenges.

iii. Weekly operations meeting to review current status of operational activities and engagements.

Supplier shall also submit reports of the information addressed in the status meetings in an electronic format using Microsoft Excel, PowerPoint or Word as needed. Supplier shall submit the required reporting by the 15th of the month following the end of the quarter, or as requested by VITA. Within 30 business days of contract award, Supplier shall submit sample report(s) to designated VITA contract manager for approval of the format and content.

14. CONTRACT DATA

A. Correcting Errors and Inaccuracies

Supplier shall promptly correct any errors or inaccuracies in the Contract Data that are caused by Supplier or Subcontractors.

B. Secure Retention of Contract Data

During the Contract Term (including any Transition Period), Supplier shall maintain a copy of all Contract Data and shall make secure backups of the Contract Data on a regular basis. If any Contract Data is corrupted, lost, or sufficiently degraded so as to be unusable due to any act or

omission of Supplier, then Supplier shall, at its sole cost and expense, carry out any remedial actions necessary to restore the Contract Data as VITA may reasonably require.

C. Access to Contract Data

Supplier shall provide a copy of the Contract Data to VITA on a mutually agreed upon schedule and interval, or at VITA's request, and in the format mutually agreed upon by VITA and the Supplier, such agreement not to be unreasonably withheld. Upon the termination or expiration of the Contract, Supplier shall return all Contract Data to VITA, or to VITA's nominated agent, in the format mutually agreed upon by VITA and the Supplier, such agreement not to be unreasonably withheld. Supplier shall provide reasonable assistance to VITA, or to VITA's nominated agent, in order to transition the responsibilities with respect to the use and maintenance of the Contract Data to VITA or VITA's nominated agent.

15. POLICIES AND PROCEDURES GUIDE

Within 30 calendar days of the Effective Date of the Contract, Supplier will provide VITA with a policy and procedures guide that describes how the Supplier and VITA will work together and how performance is to be measured. The guide will provide process diagram details, working activities, and interface points with VITA and Supplier deliverables. Updated versions of the guide will be provided by Supplier to VITA and all Authorized Users every six (6) months during the Contract Term.

16. TRAINING AND DOCUMENTATION

Any training or documentation necessary for VITA or any Authorized User to enjoy full benefit of the Services will be deemed to be included in the scope of this Contract unless expressly excluded.

17. VITA SELF-SUFFICIENCY

At VITA's request Supplier shall provide all assistance reasonably required by VITA to develop VITA's self-sufficiency in operating and managing the MSP Services that Supplier provided to VITA at no extra charge.

18. COMPETITIVE PRICING

Supplier warrants that each of the prices, charges, or warranties granted under this Contract are fair, reasonable, and commensurate with the price, charge, warranty being offered by Supplier to other government customers that purchase substantially similar services at similar volumes, and under substantially similar terms and conditions. Supplier shall notify VITA of any new services that become generally available to all government customers during the Contract Term. New services are subject to the commercial terms associated with those services and must be formally added to this Contract before they can be purchased. Supplier shall also offer VITA commercially available national government services promotions and rates available at the time of purchase under the terms of those promotions.

19. CONFIDENTIALITY

A. Treatment and Protection

Each Party shall:

- i. hold in strict confidence all Confidential Information of any other Party;
- ii. use the Confidential Information solely to the extent necessary, to perform its obligations under this Contract; and
- iii. not transfer, display, convey or otherwise disclose or make available all or any part of the other Party's Confidential Information to any third-party.

An Authorized User may, however, disclose the Confidential Information as delivered by Supplier to subcontractors, contractors, or agents of the Authorized User that are bound by non-disclosure agreements with the Authorized User. Each Party shall take the same measures to protect against the disclosure or misuse of the Confidential Information as it takes to protect its own proprietary or confidential information, but in no event will such measures be less than reasonable care.

B. Return or Destruction

Upon the termination or expiration of this Contract, or upon the earlier request of the disclosing Authorized User, Supplier shall, at its own expense,

- i. promptly return all tangible Confidential Information (and all copies thereof except the record required by law) to the disclosing Authorized User; or
- ii. upon written request from the disclosing Authorized User, destroy any Confidential Information in Supplier's possession or control that the Supplier is not legally bound to retain, and provide the disclosing Authorized User with written certification of the destruction.

Additionally, Supplier shall cease all further use of the Authorized User's Confidential Information, whether in tangible or intangible form.

The Authorized User shall retain and dispose of Supplier's Confidential Information in accordance with the Commonwealth's records retention policies or, if Authorized User is not subject to the Commonwealth's policies, in accordance with the Authorized User's own records retention policies.

C. Confidentiality Statement

All Supplier personnel performing Services pursuant to this Contract are required to sign a confidentiality statement or non-disclosure agreement. Supplier is responsible for having all Subcontractor personnel performing Services pursuant to this Contract sign a required confidentiality statement or non-disclosure agreement. Any violation of the statement or agreement will be deemed a breach of this Contract and may result in termination of the Contract or any Order or SOW issued hereunder.

D. Health Insurance Portability and Accountability Act

Supplier shall comply with all applicable provisions of the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") and, as applicable to the performance of this Contract or to any Order or SOW issued pursuant to this Contract. Supplier shall:

- i. not use or further disclose PHI other than as permitted or required by the terms of this Contract or any Order or SOW issued hereunder or as required by law;

- vii. make available PHI in its records to VITA or an Authorized User for amendment and incorporate any amendments to PHI in its records at VITA's or an Authorized User's request.

E. Freedom of Information Act Acknowledgement

All Supplier documents now or later comprising the Contract may be released in their entirety under the Virginia Freedom of Information Act, and Supplier agrees that any confidentiality or similar stamps or legends that are attached to any future documents or information may be ignored to the extent they claim confidentiality beyond that permitted by the Virginia Freedom of Information Act.

20. INDEMNIFICATION

A. Indemnification Generally

Supplier shall defend, indemnify, and hold harmless all Commonwealth Indemnified Parties from and against any third-party Claims to the extent the Claims in any way relate to, arise out of, or result from:

- i. any negligent act, negligent omission, or intentional or willful conduct of Supplier, any Subcontractor, or any Supplier personnel or Subcontractor personnel;

- ii. a breach of any representation, warranty, covenant, or obligation of Supplier contained in this Contract;
- iii. any defect in the Supplier-provided services;

For state agencies, the applicable laws include §§ 2.2-510 and 2.2-514 of the Code.

C. Duty to Replace or Reimburse

In the event of a Claim pursuant to any actual or alleged infringement or misappropriation of any third party's intellectual property rights by any of the Supplier-provided services, or Supplier's performance, Supplier shall, at its expense and option, either (a) procure the right to continue use of such infringing services, or any components thereof; or (b) replace or modify the infringing services, or any components thereof, with non-infringing services satisfactory to VITA.

In the event that an Authorized User cannot use the affected Deliverables or Services, including any Components, then Supplier shall reimburse such Authorized User for the reasonable costs incurred by such Authorized User in obtaining an alternative service.

D. Supplier Dispute of Obligation to Indemnify
