VITA, in its sole discretion, may renew this Contract for up to three (3) additional one (1) year renewal periods after the expiration of the Initial Term (collectively with the Initial Term, the "Contract Term"). VITA will issue a written notification to the Supplier stating VITA's intention to exercise a renewal period no less than 30 calendar days prior to the expiration of any current term. In addition, performance of an order or SOW issued during the Contract Term may survive the expiration of the Contract Term, in which case all contractual terms and conditions required for the operation of such order or SOW will remain in full force and effect until all of Supplier's obligations pursuant to such order or SOW have met the final Acceptance criteria of the applicable Authorized User.

B. Termination for Convenience

VITA may terminate this Contract, in whole or in part, at any time and for any reason upon not less than 30 calendar days prior written notice to Supplier. An Authorized User may terminate an order or SOW, in whole or in part, at any time and for any reason upon not less than 30 calendar days prior written notice to Supplier. Any termination under this provision will not affect the rights and obligations attending any order or SOW outstanding at the termination date.

C. Termination for Breach

In the event of breach by the Supplier, VITA will have the right to terminate this Contract, in whole or in part, and an Authorized User may terminate an order or SOW issued hereunder, in whole or in part. Supplier will be deemed in breach in the event that Supplier fails to meet any material obligation set forth in this Contract or in any order or SOW issued hereunder. Any termination under the provisions of this section will be deemed a "Termination for Breach".

If VITA deems the Supplier to be in breach, VITA shall provide Supplier with notice of breach and allow Supplier 15 business days to cure the breach. If Supplier fails to cure the breach as noted, VITA may immediately terminate this Contract or any order or SOW issued pursuant to this Contract, in whole or in part. If an Authorized User deems the Supplier to be in breach of an order or SOW, that Authorized User shall provide Supplier with notice of breach and allow Supplier 15 business days to cure the breach. In addition, if Supplier is found by a court of competent jurisdiction to be in violation of or to have violated 31 U.S.C. § 1352, or if Supplier becomes a party excluded from Federal Procurement and Nonprocurement Programs, VITA may immediately terminate this Contract, in whole or in part, for breach, and VITA shall provide written notice to Supplier of such termination. Supplier shall provide prompt written notice to VITA if Supplier is charged with violation of 31 U.S.C. § 1352, or if federal debarment proceedings are instituted against Supplier.

D. Termination for Non-Appropriation of Funds

All payment obligations from public bodies under this Contract are subject to the availability of legislative appropriations at the federal, state, or local level for this purpose. In the event of non-appropriation of funds, irrespective of the source of funds, for the items under this Contract, VITA may terminate this Contract, in whole or in part, or any order or SOW, in whole or in part, or an Authorized User may terminate an order or SOW, in whole or in part, for those goods or services for which funds have not been appropriated. Written notice will be provided to the Supplier as soon as possible after legislative action is completed.

E. Effect of Termination

Upon termination, neither the Commonwealth, nor VITA, nor any Authorized User will have any future liability except for Deliverables accepted by an Authorized User or Services (including any applicable Licensed Services and Maintenance Services) rendered by Supplier and accepted by the Authorized User prior to the termination date.

In the event of a Termination for Breach, Supplier shall accept return of any Deliverable that was not accepted by the Authorized User, and Supplier shall refund any monies paid by any Authorized User for the unaccepted Deliverable. The Authorized User will also have the right, in its sole discretion, to return any accepted Deliverable and Supplier shall refund any monies paid for the accepted Deliverable, less a reasonable value for the use of those components. Supplier will bear all costs of de-installation and return of Deliverables.

F. Termination by Supplier

In no instance will termination by Supplier be considered. Failure by an Authorized User to make timely payments owed to Supplier for its performance under this Contract will constitute a breach by that Authorized User. Supplier's remedy for a breach is limited to the remedies set forth in Code § 2.2-4363 and the "Remedies" section of this Contract below.

G. Transition of Services

At the request of an Authorized User prior to or upon expiration or termination of this Contract, Supplier shall provide all assistance as the Authorized User may reasonably require to transition the Supplier's contractual obligations, or any portion thereof, to any other supplier with whom the Authorized User contracts for provision of same. This Transition Period obligation may extend beyond expiration or termination of the Contract for a period of six (6) months. If this Contract includes Supplier's provision of licensed products, Supplier shall take no action to restrict or terminate the use of such licensed products after the date of expiration or termination of the Contract or during any Transition Period, or both. Authorized Users shall pay for any additional maintenance or licensing fees during any Transition Period at the hourly rate or at a fee agreed upon by Supplier and the applicable Authorized User. Supplier shall provide all reasonable transition assistance requested by the applicable Authorized User to allow for the expired or terminated portion of the Services to continue without interruption or adverse effect, and to

facilitate the orderly transfer of such Services to Authorized User. The transition assistance will be deemed by the parties to be governed by the terms and conditions of this Contract, except for those terms or conditions that do not reasonably apply to transition assistance. Further, any Transition Period will not affect any Authorized User's rights in regards to any purchased Software perpetual licenses which are paid in full.

H. Contract Kick-Off Meeting

Within 30 calendar days of the Effective Date, Supplier may be required to attend a contract orientation meeting, along with the VITA contract manager/administrator, Authorized User project manager(s) or authorized representative(s), and any other significant stakeholders who have a part in the successful performance of this Contract. The purpose of this meeting will be to review all contractual obligations for both parties, all administrative and reporting requirements, and to discuss any other relationship, responsibility, communication and performance criteria set forth in the Contract.

I. Transition Out Plan

Within three (3) months of the Effective Date, Supplier will develop and distribute to the applicable Authorized User a Transition Out Plan. The Supplier will maintain the Transition Out Plan throughout the Term, and update the Transition Out Plan as needed and subject to Authorized User's approval.

J. Contract Closeout

Prior to the Contract's expiration date, Supplier may be provided contract closeout documentation by VITA. If contract closeout documentation is provided, then Supplier shall complete, sign, and return to VITA Supply Chain Management any required documentation within 30 calendar days of receipt to ensure completion of closeout administration and to maintain a positive performance reputation with the Commonwealth. Any required closeout documentation not received within 30 calendar days of Supplier's receipt of the Commonwealth's request will be documented in the contract file as Supplier non-compliance. Supplier's non-compliance may affect any pending payments due to the Supplier, including final payment, until the documentation is returned to VITA.

4. SUPPLIER PERSONNEL

A. Selection and Management of Supplier Personnel

Supplier shall ensure that all Supplier Personnel performing under this Contract are competent and knowledgeable of the contractual arrangements and the applicable order or SOW between Authorized User and Supplier. Supplier acknowledges that Supplier is the employer of all Supplier employees and shall have the sole responsibility to supervise, counsel, discipline, review, evaluate, set the pay rates of, provide (to the extent required by law) health care and other benefits for, and terminate the employment of Supplier employees. Supplier shall be solely responsible for the supervision and conduct of Supplier Personnel, including all acts, omissions, gross negligence, and willful misconduct of Supplier Personnel. Additionally, Supplier shall ensure that Supplier Personnel comply with the appropriate Authorized User's site security, information security and personnel conduct rules, as well as applicable federal, state and local laws, including export regulations. Authorized User reserves the right to require the immediate removal from such Authorized User's premises of any Supplier Personnel whom such Authorized User believes has failed to comply with the above or whose conduct or behavior is unacceptable or unprofessional or results in a security or safety breach.

B. Key Personnel

An order or SOW may designate certain of Supplier's personnel as "Key Personnel" or "Project Managers". Supplier's obligations with respect to Key Personnel and Project Managers will be described in the applicable order or SOW. Any changes to Key Personnel must be mutually agreed to in writing by Supplier and Authorized User. Failure of Supplier to perform in accordance with such obligations may be deemed a breach of this Contract or of the applicable order or SOW.

C. Subcontractors

Supplier shall not use Subcontractors to perform its contractual obligations or any order or SOW issued pursuant to the Contract unless specifically authorized in writing to do so by the Authorized User. If an order or SOW issued pursuant to this Contract is supported in whole or in

part with federal funds, Supplier may not subcontract to any Subcontractor that is a party excluded from Federal Procurement and Nonprocurement Programs. In no event may Supplier subcontract to any Subcontractor that is debarred by the Commonwealth or that owes back taxes to the Commonwealth and has not made arrangements with the Commonwealth for payment of such back taxes.

If Supplier subcontracts the provision of any performance obligation under this Contract to any other party, Supplier shall (i) act as prime contractor and will be the sole point of contact with regard to all obligations under this Contract; and (ii) represent and warrant that any authorized Subcontractors shall perform in accordance with the warranties set forth in this Contract.

Supplier shall deliver the Solution, including any Component parts, and complete performance of Services according to the delivery dates set forth on the appropriate order or SOW.

Supplier shall make available all appropriate and/or related Documentation at the time of delivery of the relevant Component of the Solution. Any Solution Component delivered without the appropriate and required Documentation will be considered "shipped short" until the applicable documentation has been received.

The Solution fee listed in Exhibit B includes initial deployment of the complete Solution. Supplier shall deploy the Solution in accordance with the deployment schedule set forth on the applicable order or SOW. Deployment will include the installation of any Software Component and, if agreed, any Product or hardware Component, of the Solution. Supplier shall conduct its standard appropriate diagnostic evaluation at the Authorized User's user site to determine that the Solution is properly deployed and fully ready for productive use, and will provide the Authorized User with a copy of the results of the diagnostic evaluation promptly after completion of deployment.

Supplier agrees that failure to deploy the Solution in accordance with the delivery schedule in the applicable order or SOW constitutes a material breach of this Contract resulting in damages to the Authorized User. As an estimate of the damages the affected Authorized User will suffer, Supplier agrees to credit such Authorized User an amount equal to one percent (1%) of the total Solution fee, for each day after the scheduled deployment date that the Solution has not been deployed for a period of 30 calendar following the agreed upon delivery date. If the delay lasts longer than 30 calendar, the affected Authorized User may immediately cancel the order or SOW and collect damages for each day of that period of late delivery. The affected Authorized User may also pursue any and all other remedies available at law or in equity for delays lasting longer than 30 calendar or for non-deployment.

2. Authorized User Installation of Software

For a Solution that includes Software that Authorized User elects to install itself, the Software will be deemed to be installed when all Acceptance criteria as specified in the Authorized User's order or SOW have been met. Upon completion of installation and successful Acceptance testing, Authorized User shall provide to Supplier written notice of Acceptance. Supplier shall proceed with full deployment of the Solution concurrently with or after Authorized User's installation of the Software, as agreed between the Authorized User and Supplier in the order or SOW.

C. Documentation of Software Configuration

If the Solution includes configuration of Software by Supplier, Supplier shall provide Documentation containing a description of the configuration to the appropriate Authorized User. The Documentation must be of sufficient detail so that any appropriately trained employee or Agent of any Authorized User may reconstruct the configuration of the Software.

D. Product Delivery Procedure

Supplier shall deliver all Products F.O.B. destination, with the destination being the "ship to" address specified in the applicable order or SOW. If the order or SOW stipulates that the Supplier will provide installation of the Product, Supplier will bear all risk of loss of or damage to the Product until Receipt/Acceptance by the Authorized User. If the order or SOW stipulates that the Supplier will not provide installation of the Product, Supplier will bear all risk of loss or damage to the Product until Receipt. In all cases, Supplier shall arrange and pay for all transportation and insurance sufficient to fully protect the Product while in transit. Each shipment must include a packing slip indicating this Contract number, the Authorized User's order number, the SOW number, if applicable, the part number, a description of the Product shipped and the quantity shipped. Each package in any shipment must (i) be numbered; (ii) have a description

stenciled on the outside indicating the quantity of Product contained by part number and description; and (iii) must conspicuously display the number of the package in that shipment which contains the packing slip. If required by the Authorized User, Supplier shall bar code all packages shipped. If any loss to, or damage of, the Product occurs prior to Acceptance by the Authorized User, Supplier shall immediately provide a replacement item. Title to Product, excluding System Software, will pass upon Acceptance.

Supplier will make available all appropriate and required Documentation at the time of delivery of the first unit of each different Product type. Product delivered without the appropriate and required Documentation will be considered "shipped short" until the applicable documentation has been received.

E. Late Delivery of Product

Supplier acknowledges and agrees that failure to deliver the Product ordered in strict accordance with the agreed upon delivery schedule as set forth in this Section will constitute a material breach of this Contract resulting in damages to the ordering Authorized User, the total sum of which would be impracticable or impossible to ascertain as of the Effective Date of this Contract. As an estimate of the minimum amount of damages such Authorized User will suffer, Supplier agrees to credit the Authorized User an amount equal to one percent (1% of the total purchase price for each day that the Product is undelivered or nonoperational for a period of ten (10) calendar days following the agreed upon delivery date, or if none specified, following the date order or SOW was received by Supplier. If the delay lasts longer than ten (10) calendar days, the Authorized User may immediately cancel the order or SOW and collect as late delivery damages fifteen percent (15%) of the total purchase price. Any credit due the Authorized User will be applied to the next periodic invoice.

In addition, in the event the Supplier fails for any reason to deliver the Product within thirty (30) calendar days of the agreed upon delivery date set forth in the order/schedule, or if no date was specified, following the date the order or SOW was received by Supplier, then the ordering Authorized User, at its own discretion, may give Supplier oral or written notice of breach regarding the subject order or SOW. Additionally, it should be noted that Digital Video Group is not the manufacturer of Products, and Product Deliveries are subject to manufacturer's availability of Products. Due to the nature of Supplier's industry, there are at times component shortages may occur which are outside of the manufacturers control to deliver products in a timely manner. Supplier will use best efforts to provide estimated product deliveries from manufactures and alert the end user of any delays as they arise. Additionally, DVG is not responsible for delivery delays caused by but not limited to weather, natural disaster, pandemic, "Force Majeure" etc.

Once notice by the Authorized User is sent or given, the Authorized User may immediately procure the undelivered items, or substantially similar items, from another source. Once the Authorized User has effected a purchase from an alternate source, the Authorized User may charge-back Supplier. Supplier agrees to reimburse the Authorized User for any difference in cost between the original contract price and the Authorized User's cost to cover from the alternate source. In no event will any Authorized User be held to pay Supplier any costs incurred by Supplier, including but not limited to ordering, marketing, manufacturing, or delivering the item(s), which are subject of such Authorized User's notice of breach. Further, the Authorized User reserves any and all other remedies available at law or in equity.

Any change to a SOW must be described in a written change request, in the format provided in Exhibit D. Either Party to a SOW may issue a change request that will be subject to written approval of the other Party before it becomes part of this Contract. In no event will any SOW or any modification require the Supplier to provide any Products or Services that are beyond the scope of this Contract as such scope is defined in Exhibit A, which is attached to this Contract and incorporated by reference.

H. Invoice Procedures

Supplier shall remit each invoice to the "bill-to" address provided with the order promptly after all Supplier's performance obligations have been accepted and in accordance with the milestone payment schedule, if any, in the applicable order or SOW. Payment for any support services, as authorized in the Contract and the Authorized User's applicable order or SOW, will be annually in arrears unless otherwise stated in this Contract, or in any order or SOW referencing this Contract. No invoice may include any costs other than those identified in the signed order or SOW, and those costs must be in accordance with the schedule of fees listed on Exhibit B. Without limiting the foregoing, all shipping costs are the Supplier's responsibility except to the extent shipping charges are identified in Exhibit B and noted in any signed order or SOW referencing this Contract. Supplier shall issue invoices that identify, at a minimum:

- i. Dates/periods that invoice covers, including any service or subscription periods, as applicable.
- ii. Line item description of the Deliverable(s) applicable to this Contract, including any components or service type, and, if applicable, the project milestone.

- iii. Quantity, charge and extended pricing for each line item
- iv. Applicable date of the order or SOW or both
- v. This Contract number and the applicable order number or SOW number or both
- vi. Supplier's Federal Employer Identification Number ("FEIN")

Any terms included on Supplier's invoice will have no force or effect and will in no way bind the Authorized User.

Supplier is responsible for the accuracy of its billing information. Supplier may not issue invoices pursuant to this Contract until all of Supplier's performance obligations have been accepted and are in accordance with the milestone payment schedule in the applicable order or SOW, or until after services have been rendered. Charges for Deliverables, Components or Services accepted more than 90 calendar days prior to receipt of a valid invoice may not be paid. In the event Supplier repeatedly over-bills an Authorized User, the Authorized User may assess a one percent (1%) charge for the amount over-billed for each month that such over-billing continues.

J. Reimbursement of Expenses

Authorized User shall pay, or reimburse Supplier, for all reasonable and actual travel-related expenses for greater than 30 miles from portal to portal incurred by Supplier during the relevant period. An Authorized User will only be liable to pay for Supplier's travel-related expenses, including transportation, meals, lodging and incidental expenses, that have been authorized by the Authorized User in advance in the order or SOW. The travel-related expenses will be reimbursable at the then-current per diem amounts as published by the Virginia Department of Accounts (<http://www.doa.virginia.gov/>). Authorized Users who are not public bodies may have their own per diem amounts applicable to Supplier's pre-approved travel expenses.

K. Disputed Charges

If, before payment of an invoice, an Authorized User notifies the Supplier in writing of a disputed charge, Authorized User will have the right to withhold payment of the disputed amount until the dispute is settled or finally resolved. Supplier shall respond in writing to Authorized User's notification of a disputed charge acknowledging Supplier's receipt of the dispute within five (5) business days. Any charges disputed by Authorized User will be resolved (whether by credit or explanation of the charge to the Authorized User's satisfaction) in the Authorized User's required format within two (2) billing cycles (60 calendar days) following Authorized User's written notification. In the absence of the Supplier's written evidence identifying the merit of the disputed amounts, Authorized User will not be obligated to pay the disputed amounts and may consider the matter concerning the specific identified amounts closed. Authorized User will not pay any disputed amounts that remain unresolved after 120 calendar days. If a disputed charge is reversed, Supplier shall reverse all associated surcharges, regulatory charges and taxes.

18. SUPPLIER SPONSORED PROMOTIONS

VITA will communicate to Supplier in writing its agreement to the promotion.

Supplier shall make all sponsored Product or Service promotions available to all Authorized Users. VITA and Supplier agree that promotions will not target any one Authorized User, or a few Authorized Users.

VITA and Authorized Users may, at their discretion, assist in advertising the promotion. This assistance may consist of advertising space on Authorized User web sites, or other assistance at an Authorized User's discretion.
