

ENA Services, LLC was awarded a contract for wireless network products and services. In addition, related services such as network design, configuration, installation, training, maintenance and warranty services may be offered.

Discounts are based on percentage off manufacturers list.

Items excluded from any resulting contract(s) are:

- Voice/Data/Security/AV Communications Cabling Installation Services
- Commercial Off-The-Shelf software (*COTS*)
- Modified Off-The-Shelf software (*MOTS*)
- Audio visual products and services
- Printers and Copiers
- Servers
- Data Center Services
- IT Professional and Consulting Services (except installation and training on products purchased)

VITA recommends that authorized users exercise the Request for Quote clause found in the contract and compete the suppliers when needing network products and services.
