Authorized Users may use this contract; this Contract is mandatory use for Executive Branch Agencies.

Supplier shall accept any order or SOW placed by an Authorized User through the Commonwealth's electronic procurement website portal, eVA (<http://www.eva.virginia.gov/>). For simple hardware procurements that do not require Supplier Services, a Purchase Order may be sufficient; however, if the Supplier is providing Services that include installation, testing, and training, or other Services a SOW will be required. Agencies, as defined by Code § 2.2-2006, and legislative, judicial, and independent agencies of the Commonwealth, must order through eVA. All other Authorized Users are encouraged to order through eVA, but may order through the following means:

- i. Purchase Order ("PO"): An official PO form issued by an Authorized User.
- ii. Any other order/payment charge or credit card process, such as AMEX, MASTERCARD, or VISA under contract for use by an Authorized User. This ordering authority is limited to issuing orders or SOWs for the contractual offerings and Requirements available under the scope of this Contract. No Authorized User will have the authority to modify this Contract under any circumstances. An order or SOW may contain additional terms and conditions. In the event that

the terms and conditions of an order or SOW are inconsistent with the terms and conditions of this Contract, the terms and conditions of this Contract will supersede.

If the Contract allows for the provision of hardware Product, an Authorized User may order Maintenance Services for any Product at any time during the Term of the Contract, irrespective of whether such Product is covered under warranty or maintenance at the time the order is issued to Supplier. Each order will identify:

- iii. Product and, if applicable, serial number, for which Maintenance Services will be provided,
- iv. Maintenance Level to be provided, and
- v. MCP for the Product Maintenance. Authorized User may elect, at any time, another Maintenance Level offered by Supplier. Such amendment will take effect within 30 calendar days following Supplier's receipt of Authorized User's written notice, in the form of a modification to an order or SOW. Unless otherwise agreed to by the Authorized User and Supplier, the MCP for a unit of Product will be one (1) year from the effective date of any signed order or SOW for Maintenance on such Product.

ALL CONTRACTUAL OBLIGATIONS UNDER THIS CONTRACT IN CONNECTION WITH AN ORDER OR SOW PLACED BY ANY AUTHORIZED USER ARE THE SOLE OBLIGATION OF SUCH AUTHORIZED USER AND NOT THE RESPONSIBILITY OF VITA UNLESS THE AUTHORIZED USER IS VITA.

**G. Statement of Work**

A SOW, in the format provided for in Exhibit C attached to this Contract, is required for any orders placed by an Authorized User pursuant to this Contract. Supplier shall perform any and all contractual obligations at the times and locations set forth in the applicable SOW and at the rates set forth in Exhibit B to this Contract. All SOWs will be of a fixed price type unless VITA issues a written authorization for a time and materials type SOW. The fixed price SOWs may, with the written approval of VITA, contain a cost-reimbursable line item(s) for pre-approved travel expenses pursuant to the provisions of the "Reimbursement of Expenses" subsection below. If a time and materials type SOW is authorized, Supplier Personnel shall maintain daily time records of hours and tasks performed that must be submitted or made available for inspection by the Authorized User upon 48 hours advance written notice.

Any change to an SOW must be described in a written change request, in the format provided in Exhibit D. Either Party to an SOW may issue a change request that will be subject to written approval of the other Party before it becomes part of this Contract. In no event will any SOW or any modification require the Supplier to provide any Products or Services that are beyond the scope of this Contract as such scope is defined in Exhibit A, which is attached to this Contract and incorporated by reference.

**H. Invoice Procedures**

Supplier shall remit each invoice to the "bill-to" address provided with the order promptly after all Supplier's performance obligations have been accepted and in accordance with the milestone payment schedule, if any, in the applicable order or SOW. Payment for any support services, as authorized in the Contract and the Authorized User's applicable order or SOW, will be annually in arrears unless otherwise stated in this Contract, or in any order or SOW referencing this Contract. No invoice may include any costs other than those identified in the signed order or SOW, and those costs must be in accordance with the schedule of fees listed on Exhibit B. Without limiting the foregoing, all shipping costs are the Supplier's responsibility except to the extent shipping charges are identified in Exhibit B and noted in any signed order or SOW referencing this Contract. Supplier shall issue invoices that identify, at a minimum:

- i. Dates/periods that invoice covers, including any service or subscription periods, as applicable.
- ii. Line item description of the Deliverable(s) applicable to this Contract, including any components or service type, and, if applicable, the project milestone.
- iii. Quantity, charge and extended pricing for each line item
- iv. Applicable date of the order or SOW or both
- v. This Contract number and the applicable order number or SOW number or both

vi. Supplier's Federal Employer Identification Number ("FEIN")

Any terms included on Supplier's invoice will have no force or effect and will in no way bind the Authorized User.

**I. Purchase Payment Terms**

Supplier is responsible for the accuracy of its billing information. Supplier may not issue invoices pursuant to this Contract until all of Supplier's performance obligations have been accepted and are in accordance with the milestone payment schedule in the applicable order or SOW, or until after services have been rendered. Charges for Deliverables, Components or Services accepted more than 90 calendar days prior to receipt of a valid invoice may not be paid. In the event Supplier repeatedly over-bills an Authorized User, the Authorized User may assess a one percent (1%) charge for the amount over-billed for each month that such over-billing continues.

**J. Reimbursement of Expenses**

An Authorized User will only be liable to pay for Supplier's travel-related expenses, including transportation, meals, lodging and incidental expenses, that have been authorized by the Authorized User in advance in the order or SOW. The travel-related expenses will be reimbursable at the then-current per diem amounts and other travel regulations as published by the Virginia Department of Accounts (<http://www.doa.virginia.gov/>). Authorized Users who are not public bodies may have their own per diem amounts or other travel regulations applicable to Supplier's pre-approved travel expenses.

All reimbursed expenses will be billed to the Authorized User on a pass-through basis without any markup by Supplier. At Authorized User's request, Supplier shall provide copies of receipts for all travel expenses over US\$30.00.

**K. Disputed Charges**

If, before payment of an invoice, an Authorized User notifies the Supplier in writing of a disputed charge, Authorized User will have the right to withhold payment of the disputed amount until the dispute is settled or finally resolved. Supplier shall respond in writing to Authorized User's notification of a disputed charge acknowledging Supplier's receipt of the dispute within five (5) business days. Any charges disputed by Authorized User will be resolved (whether by credit or explanation of the charge to the Authorized User's satisfaction) in the Authorized User's required format within two (2) billing cycles (60 calendar days) following Authorized User's written notification. In the absence of the Supplier's written evidence identifying the merit of the disputed amounts, Authorized User will not be obligated to pay the disputed amounts and may consider the matter concerning the specific identified amounts closed. Authorized User will not pay any disputed amounts that remain unresolved after 120 calendar days. If a disputed charge is reversed, Supplier shall reverse all associated surcharges, regulatory charges and taxes.

**29. SUPPLIER SPONSORED PROMOTIONS**

The Supplier, at its discretion, may sponsor Product and Service promotions during the Term or any extensions. In the event that Supplier chooses to sponsor such a promotion, Supplier shall provide in writing to VITA, at least five (5) days prior to the promotion, the following information: (i) the dates of the promotion or the duration of the promotion to include the commencement date and the ending date; (ii) the exact Products or Services covered in the promotion; and (iii) the pricing or percentage discount offered during the promotion. VITA will communicate to Supplier in writing its agreement to the promotion.

Supplier shall make all sponsored Product or Service promotions available to all Authorized Users. Should the Supplier request a promotion that would be limiting, either through product configuration or quantities of Products and Services, VITA, at its sole discretion, may not provide a written agreement. VITA and Supplier agree that promotions will not target any one Authorized User, or a few Authorized Users.

VITA and Authorized Users may, at their discretion, assist in advertising the promotion. This assistance may consist of advertising space on Authorized User web sites, or other assistance at an Authorized User's discretion.

If Supplier fails to obtain the prior written agreement of VITA for the promotion, proposes prices different from those in the Contract without VITA's consent, or otherwise does not adhere to the

provisions of this section, Supplier will be deemed to be in breach of this Contract. VITA will have all remedies for this breach available under the Contract as well as in law and in equity.

Supplier's SSCC will be maintained by VITA in the Supplier's procurement file. Supplier must submit the SSCC to the following address: [SCMInfo@vita.virginia.gov](mailto:SCMInfo@vita.virginia.gov). In the event that Supplier fails to comply with its contractually obligated Plan spend or fails to report its contractually obligated Plan spend, VITA may, at its sole discretion, prohibit or delay any renewals or extensions of the Contract, withhold any final payments due, or both. Supplier's failure to comply will be considered in the prospective award of any future contracts with Supplier.

### **31. SUPPLIER PERFORMANCE MEASURES**

VITA has developed a set of performance measures relating to Supplier's performance under this Contract and which are attached hereto and incorporated by reference as Exhibit I. Supplier agrees to be bound by and perform its obligations under this Contract pursuant to these performance measures. The remedies for Supplier's failure to meet the performance measures are set forth in Exhibit I.

Supplier and Authorized User agree to meet within 30 calendar days of the Effective Date of this Contract to set forth the methodology and designated personnel of each Party to provide, collect, monitor, and report the performance measures data and mutually agreed-to incentives and remedies. Supplier agrees to provide to VITA and the applicable Authorized User a report of its performance against the performance measures in accordance with Exhibit I. Supplier's report must include a comparison of its performance measures against the agreed-to targets. Any instances of Supplier non-compliance will be recorded in Supplier's Contract file and shared with Contract stakeholders. Supplier further agrees that any degradation or failure of Supplier's performance obligations may

result in failure to renew the Contract, termination for convenience of the Contract or termination for breach of the Contract. VITA and Authorized Users will have all rights and remedies available at law.

In addition to Supplier's obligation to defend, and subject to the same conditions, Supplier will pay all damages finally awarded against the Authorized User by a court of competent jurisdiction for an Infringement Claim or agreed to, in writing, by Supplier in settlement of an Infringement Claim.

**C. Duty to Replace or Reimburse**

In the event of a Claim pursuant to any actual or alleged infringement or misappropriation of any third party's intellectual property rights by any of the Supplier-provided products or services, or Supplier's performance, Supplier shall, at its expense and option, either (a) procure the right to continue use of such infringing products or services, or any components thereof; or (b) replace or modify the infringing products or services, or any components thereof, with non-infringing products or services satisfactory to VITA, or (c) grant VITA or an Authorized User a pro-rated refund of any amounts pre-paid for the infringing product (if the infringing product is a software product, i.e. licensed software or subscription software) or a credit for the infringing product, less a reasonable charge for depreciation (if the infringing product is equipment or equipment with embedded software) based on Authorized Users time of utilization.

In the event that an Authorized User cannot use the affected Deliverable, Product, Licensed Services, or Services, including any Components, then Supplier shall reimburse such Authorized User for the reasonable costs incurred by such Authorized User in obtaining an alternative product or service.

Supplier will have no duty to defend or indemnify an Authorized User for any infringement claim that arises from or is based upon: (a) Authorized User Data, Authorized User-Provided equipment, Non-Supplier content, or third-party equipment, hardware, software, data, or other third-party materials not provided by Supplier; (b) the combination of the Product or Service with any products or materials not provided by Motorola and not intended to be used therewith as designated in the applicable SOW; (c) a Product or Service designed, modified, or manufactured in accordance with an Authorized User's designs, specifications, guidelines or instructions in lieu of Suppliers prior written communication of the inherent risks; (d) the unauthorized modification of the Product or Service by a party other than Supplier;; (e) intentional and willful use of the Product or Service in a manner for which the Product or Service was not designed or that is inconsistent with the terms of this Contract; or (f) the failure by an Authorized User to use or install an update to the Product or Service that is intended to correct the claimed infringement. **D. Supplier Dispute of Obligation to Indemnify**

If a Claim is commenced against any Commonwealth Indemnified Parties by a third party alleging an infringement of the third party's intellectual property rights and Supplier is of the opinion that the allegations in the third-party Claim, in whole or in part, are not covered by the indemnification provision in this Contract, then In the event that Supplier disputes any of its obligations to defend or indemnify any Commonwealth Indemnified Party, then Supplier shall immediately notify VITA and the affected Authorized User(s) in writing and shall, nonetheless, take all reasonable steps to protect the rights, remedies, and interests of the Commonwealth Indemnified Parties in the defense of the Claim, including to secure a continuance to permit VITA and the affected Authorized User(s) to appear and defend their interests in cooperation with Supplier as is appropriate, including any jurisdictional defenses VITA or the affected Authorized User(s) may have.

### **38. LIABILITY**

#### **A. Supplier Liability**

Supplier agrees that it is fully responsible for the negligent acts and omissions of all Supplier Personnel, including their willful misconduct.

Except for liability arising from any combination of:

- i. any intentional or willful misconduct, fraud, or recklessness of Supplier or any Supplier Personnel; or
- ii. claims for bodily injury, including death, and damage to real property or tangible property resulting from the negligence of a Supplier or any Supplier Personnel,

Supplier's indemnification obligations and liability for all claims arising under this Contract shall not exceed, in aggregate, twice the value of the Contract. In instances where Supplier's liability arises solely from a breach in the performance of a specific order or SOW, Supplier's liability and indemnification obligations will not exceed twice the value of the applicable order or SOW giving rise to the Claim(s). This limitation will apply on a per-incident basis; it being understood that multiple losses stemming from the same root cause constitute a single incident.

#### **B. Limitation of Liability**

Neither Party will be liable to the other Party for any indirect, incidental, consequential, or punitive damages, including (without limitation) loss of profit, income, or savings, even if advised of the possibility of these damages.

### **39. INSURANCE**

In addition to the insurance coverage required by law as referenced in the "Incorporated Contractual Provisions" section of this Contract below, Supplier shall carry:

Professional Liability including Errors and omissions and Cyber Security liability insurance coverage in the amount of \$5,000,000 per claim; and \$10,000,000 aggregate.

### **40. SECURITY COMPLIANCE**

Supplier shall implement applicable controls from NIST SP 800-53 (rev 4 or higher) moderate security baseline in accordance with the timelines set for implementation of the same by the FBI's CJIS Security Policy as updated as are pertinent to Supplier's operation. Supplier shall also comply with all applicable federal, state, and local laws and regulations.

Any unauthorized release of any Confidential Information, or Commonwealth proprietary or personal information, by the Supplier or Supplier Personnel constitutes a breach of Supplier's obligations under the Contract. Supplier shall notify VITA and any affected Authorized User within 24 hours of discovery of, or when Supplier should have discovered, any breach of "unencrypted" and "unredacted" personal information, as those terms are defined in Code § 18.2-186.6, and other confidential or personal identifying information provided to the Supplier by VITA or an Authorized User. To the extent permitted by law, Supplier shall provide VITA and any affected Authorized User the opportunity to participate in the investigation of the breach and to exercise control over reporting the unauthorized disclosure.

Supplier shall ensure performance of an audit of Supplier's environment at least annually to provide assurance of "Controls Relevant to Security, Availability, Processing Integrity, Confidentiality or Privacy" in accordance with the then-current standards set forth by the American Institute of CPAs.

Supplier shall indemnify, defend, and hold the Commonwealth, VITA, their officers, directors, employees and agents harmless from and against any and all Claims, including reasonable expenses suffered by, accrued against, or charged to or recoverable from the Commonwealth, VITA, their officers, directors, agents or employees, on account of the failure of Supplier to perform its obligations pursuant this section.

VITA reserves the right to review Supplier's information security program prior to the commencement of Licensed Services and at least once annually during the Term of this Contract. During the performance of the Licensed Services, and on an annual basis, VITA will be entitled, at its own expense, to perform, or to have performed, an on-site audit of Supplier's information security

program. In lieu of an on-site audit, upon request by VITA, Supplier shall implement any reasonably required safeguards as identified by any program audit.

#### **41. IMPORT/EXPORT**

Supplier shall comply with all data export laws and regulations. In addition, VITA policy requires that any data deemed "restricted" or "sensitive" by either federal or state authorities, may only be collected, developed, analyzed, or otherwise used or obtained by persons or entities working within the continental United States.

#### **42. ACCEPTABLE USE POLICY**

VITA and Authorized User agree to abide by Supplier's Acceptable Use Policy (AUP), as amended by the parties hereby and incorporated as Exhibit F. Because certain standard clauses that may appear in, or be incorporated by reference into, Supplier's standard AUP cannot be accepted by VITA, and in consideration of the convenience of using that form, and this form, without the necessity of specifically negotiating a separate contract document, the parties hereto specifically agree that:

- i. In the event of a conflict between this Contract and the AUP, the Contract shall control;
- ii. In the event of a material, unilateral revision to the AUP by Supplier that substantially impairs the ability of VITA or any other public body from its lawful use of the Service, VITA shall have the option to:
  - a. request that the revision be rescinded;
  - b. request that the revision be waived as to VITA or other public bodies receiving Services under this Agreement;

If Supplier fails to grant a request by VITA per a. or b. above, within 30 days of receiving the request, then VITA may, at its option, terminate this Contract, in whole or in part, or any order or SOW, in whole or in part, without termination liability;

#### **43. THIRD PARTY TERMS AND CONDITIONS**

For the purposes of statutory law as referenced and incorporated in the Contract, if there is any conflict with any third party terms, such statutory law shall govern. Supplier is responsible for its third-party supplier's obligation under this contract. Supplier agrees that it has overall responsibility for Supplier's, its subcontractors', subprocessors' and third parties' compliance with SEC501, SEC525 and any other applicable security policies located at this url: [Policies, Standards & Guidelines | Virginia IT Agency](#)

#### **44. BANKRUPTCY**

If Supplier becomes insolvent, takes any step leading to its cessation as a going concern, fails to pay its debts as they become due, or ceases business operations continuously for longer than 15 business days, then VITA may immediately terminate this Contract, and an Authorized User may terminate an order or SOW, on notice to Supplier unless Supplier immediately gives VITA or such Authorized User adequate assurance of the future performance of this Contract or the applicable order or SOW. If this Contract has not been otherwise terminated and bankruptcy proceedings are commenced with respect to Supplier, then VITA may suspend all further performance of this Contract until Supplier assumes this Contract and provides adequate assurance of its performance of Supplier's contractual obligations or rejects this Contract pursuant to Section 365 of the Bankruptcy Code or any similar or successor provision, it being agreed by VITA and Supplier that this is an executory contract. Any suspension of further performance by VITA or Authorized User pending Supplier's assumption or rejection will not be a breach of this Contract, and will not affect the rights of VITA or any Authorized User to pursue or enforce any of its rights under this Contract or otherwise.

#### **45. GENERAL PROVISIONS**

##### **A. Relationship Between VITA and Authorized User and Supplier**

Supplier has no authority to contract for, bind or commit to any agreement of any kind, or to assume any liabilities of any nature in the name of or on behalf of VITA or any Authorized User.
