VITA will issue a written notification to the Supplier stating VITA's intention to exercise a renewal period no less than 30 calendar days prior to the expiration of any current term. In addition, performance of an order or SOW issued during the Contract Term may survive the expiration of the Contract Term, in which case all contractual terms and conditions required for the operation of such order or SOW will remain in full force and effect until all of Supplier's obligations pursuant to such order or SOW have met the final Acceptance criteria of the applicable Authorized User, including any warranty periods.

B. Termination for Convenience

VITA may terminate this Contract, in whole or in part, at any time and for any reason upon not less than 30 calendar days prior written notice to Supplier. An Authorized User may terminate an order or SOW, in whole or in part, at any time and for any reason upon not less than 30 calendar

days prior written notice to Supplier. Any termination under this provision will not affect the rights and obligations attending any order or SOW outstanding at the termination date.

C. Termination for Breach

Supplier will bear all costs of de-installation and return of Deliverables.

F. Termination by Supplier

In no instance will termination by Supplier be considered. Failure by an Authorized User to make timely payments owed to Supplier for its performance under this Contract will constitute a breach by that Authorized User. Supplier's remedy for a breach is limited to the remedies set forth in Code § 2.2-4363 and the "Remedies" section of this Contract below.

G. Transition of Services

At the request of an Authorized User prior to or upon expiration or termination of this Contract, Supplier shall provide all assistance as the Authorized User may reasonably require to transition the Supplier's contractual obligations, or any portion thereof, to any other supplier with whom the Authorized User contracts for provision of same. This Transition Period obligation may extend beyond expiration or termination of the Contract for a period of time (i.e., three (3) months, six (6) months, twelve (12) months or as required and defined by VITA or such Authorized User, herein referred to as "Transition Period"). If this Contract includes Supplier's provision of licensed products, Supplier shall take no action to restrict or terminate the use of such licensed products after the date of expiration or termination of the Contract or during any Transition Period, or both. The transition assistance will be deemed by the parties to be governed by the terms and

conditions of this Contract, except for those terms or conditions that do not reasonably apply to transition assistance.

H. Contract Kick-Off Meeting

Within 30 calendar days of the Effective Date, Supplier may be required to attend a contract orientation meeting, along with the VITA contract manager/administrator, Authorized User project manager(s) or authorized representative(s), and any other significant stakeholders who have a part in the successful performance of this Contract. The purpose of this meeting will be to review contractual obligations for both parties, and administrative and reporting requirements, and to discuss any other relationship, responsibility, communication and performance criteria set forth in the Contract.

I. Contract Closeout

Prior to the Contract's expiration date, Supplier may be provided contract closeout documentation by VITA. If contract closeout documentation is provided, then Supplier shall complete, sign, and return to VITA Supply Chain Management any required documentation within 30 calendar days of receipt to ensure completion of closeout administration and to maintain a positive performance reputation with the Commonwealth. Any required closeout documentation not received within 30 calendar days of Supplier's receipt of the Commonwealth's request will be documented in the contract file as Supplier non-compliance. Supplier's non-compliance may affect any pending payments due to the Supplier, including final payment, until the documentation is returned to VITA.

4. SUPPLIER PERSONNEL

A. Selection and Management of Supplier Personnel

Supplier shall ensure that all Supplier Personnel performing under this Contract are competent and knowledgeable of the contractual arrangements and the applicable order or SOW between Authorized User and Supplier. Supplier acknowledges that Supplier is the employer of all Supplier employees and shall have the sole responsibility to supervise, counsel, discipline, review, evaluate, set the pay rates of, provide (to the extent required by law) health care and other benefits for, and terminate the employment of Supplier employees. B. Key Personnel

An order or SOW may designate certain of Supplier's personnel as "Key Personnel" or "Project Managers". Supplier's obligations with respect to Key Personnel and Project Managers will be described in the applicable order or SOW. Any changes to Key Personnel must be mutually agreed to in writing by Supplier and Authorized User. Failure of Supplier to perform in accordance with such obligations may be deemed a breach of this Contract or of the applicable order or SOW.

C. Subcontractors

Supplier shall not use Subcontractors to perform its contractual obligations or any order or SOW issued pursuant to the Contract unless specifically authorized in writing to do so by the Authorized User. If an order or SOW issued pursuant to this Contract is supported in whole or in part with federal funds, Supplier may not subcontract to any Subcontractor that is a party excluded from Federal Procurement and Nonprocurement Programs. In no event may Supplier subcontract to any Subcontractor that is debarred by the Commonwealth or that owes back taxes to the Commonwealth and has not made arrangements with the Commonwealth for payment of such back taxes.

If Supplier subcontracts the provision of any performance obligation under this Contract to any other party, Supplier shall (i) act as prime contractor and will be the sole point of contact with regard to all obligations under this Contract; and (ii) represent and warrant that any authorized Subcontractors shall perform in accordance with the warranties set forth in this Contract.

5. GENERAL WARRANTY

THE OBLIGATIONS OF SUPPLIER UNDER THIS GENERAL WARRANTY SECTION ARE MATERIAL. SUPPLIER MAKES NO OTHER WARRANTIES, EXPRESS OR IMPLIED, ANY CONCERNING MERCHANTABILITY OR FITNESS FOR ANY OTHER PARTICULAR PURPOSE.

A. Ownership

Supplier is the owner of the Product or otherwise has, to the best of Supplier's knowledge, the right to grant to the Commonwealth or any Authorized User title to or the right to use the Product provided pursuant to this Contract. Upon Supplier's receipt of payment, the Commonwealth or the ordering Authorized User, as applicable, will obtain good and clear title to the Product, free and clear of all liens, claims, security interests and encumbrances. In addition, Supplier has the right to provide the Services offered under this Contract.

B. Supplier's Warranty

Supplier's Standard Warranty for Product and related Services and/or Maintenance Services apply to this Contract; If the Product fails to conform, in all material respects, to the Requirements, an Authorized User will provide written notice to the Supplier of the failure within ten (10) calendar days of the failure. If the Supplier is unable to make the Product conform, in all material respects, to the Requirements within 30 calendar days of Supplier's receipt of an Authorized User's notice of failure, Supplier shall, at Authorized User's request, either: (i) provide a replacement Product and related Services at no additional cost to the Authorized User; or (ii) accept return of the Product and return all monies paid by such Authorized User (a) for Maintenance Services for the returned Product pro-rated on a monthly basis as of the date the Authorized User reported the non-conformity, and (b) for the Product pro-rated on a monthly basis as of the date the Authorized User reported the non-conformity and based on the average life of the Product. Supplier's warranties and remedies in this subsection are provided in addition to any remedies described in Supplier's Standard Warranty for Product and related Services, or Maintenance Services, or both.

C. Performance Warranty

With respect to Supplier's performance under this Contract:

- i. Supplier shall perform all contractual obligations with the care, skill and diligence, consistent with or above applicable professional standards currently recognized in Supplier's profession, and Supplier shall be responsible for the professional quality, technical accuracy, completeness, and coordination of all plans, information, specifications, Deliverables, and Services furnished under this Contract; and
- ii. Supplier shall ensure that any contractually-obligated Services or Deliverables, or both, meet or exceed the Requirements and that any Product will function in conformance with the Requirements.

D. Documentation and Deliverables

- i. Any required Documentation Supplier is obligated to provide under this Contract will be sufficient in detail and content to allow an appropriately trained user to understand and fully utilize, as applicable, the Deliverables without reference to any other materials or information.
- ii. All Deliverables provided or delivered pursuant to this Contract are at the current release level unless an Authorized User specifies an older version in its order or SOW.
- iii. No Update, engineering change, or revision made to any Supplier-provided Deliverables will (a) degrade the performance of any Deliverable or its components to a level below that defined in the Requirements or the Product manufacturer's published specifications, as applicable; (b) cause any other warranty to be breached; or (c) require an Authorized User to acquire additional hardware equipment or software.

E. Malicious Code

Supplier has used commercially reasonable efforts through quality assurance procedures to verify that there are no Computer Viruses or undocumented features in any of the Deliverables, as obligated and provided by Supplier under the order or SOW, at the time of delivery to the Authorized User. Supplier has used the best available means to scan any media provided to the Authorized User. Supplier warrants that the Deliverables, as obligated and provided by Supplier under the order or SOW, do not contain any embedded device or code (e.g., time bomb) that is intended to obstruct or prevent any Authorized User's use of the Deliverables.

Notwithstanding any rights granted under this Contract or at law, Supplier waives, under any and all circumstances, any right it has or may have in the future to exercise its license termination rights by electronic means. Supplier agrees that an Authorized User may pursue all remedies provided under law in the event of a breach or threatened breach of this section, including injunctive or other equitable relief.

F. Supplier's Viability

Supplier has the financial capacity to perform and continue to perform its obligations under this Contract. Supplier has no constructive or actual knowledge of a potential legal proceeding being brought against Supplier that could materially adversely affect performance of this Contract. Further, Supplier is not prohibited by any contract, or order by any court of competent jurisdiction from entering into this Contract.

G. Supplier's Past Experience

Supplier has met similar contractual obligations and fulfilled the Requirements as set forth in Exhibit A and in this Contract, in similar or greater complexity, to other customers without significant problems due to Supplier's performance and without causing a contractual breach or default claim by any customer.

6. SCOPE OF USE

Any Authorized User may use the Products for the benefit of itself and its agents. Supplier further authorizes use of the Product by third parties who are under contract with an Authorized User to provide outsourcing services. If the Commonwealth or an Authorized User takes title under the terms of this Contract to any Products with System Software that is integral to the Products, there will be no restrictions on subsequent resale or distribution of the Products and System Software by the Commonwealth or the Authorized User.

7. SERVICES

A. Nature of Services and Engagement

This Contract is optional use and non-exclusive, all Authorized Users may, at their sole discretion, receive benefits from third party suppliers of services similar to, or in competition with, Services provided by Supplier.

B. Acceptance

Service(s), Product(s) and Deliverable(s) will be deemed accepted the earlier of when the ordering Authorized User notifies Supplier in writing that such Service(s), Product(s) and Deliverables have been accepted; or 30 days after Supplier has notified the ordering Authorized User that such Product, Services and Deliverables have been delivered during which Authorized User does not notify Supplier in writing of a failure of same to successfully operate in accordance with the Requirements of this Contract and Authorized User's applicable order or SOW (i.e., non-conformity(ies)).

In the event of such breach, the Authorized User may, at its sole discretion, terminate its order or SOW, in whole or in part, for the Services to be provided by Supplier.

8. FEES, ORDERING, AND PAYMENT PROCEDURE

A. Fees and Charges

In consideration for the Supplier's performance obligations under this Contract, an Authorized User shall pay Supplier the fee(s) owed pursuant to the schedule of fees and charges as set forth on Exhibit B attached to this Contract. Supplier will only be entitled to those fees owed for Supplier's performance obligations and any additional Products and Services provided to an Authorized User in accordance with the scope of this Contract and the Requirements, as authorized by Exhibit A, and per the Authorized User's order or SOW. The fees, and any associated discounts, will be applicable throughout the Contract Term unless modified pursuant to the terms and conditions below.

In the event the fees or discounts apply for any period less than the entire Term, Supplier agrees that it will not request an increase in the fees during the first twelve (12) month period following the Effective Date and will not request an increase in the fees more than once in any subsequent twelve (12) month period thereafter. If requested by the Authorized User, Supplier's quote must also include a detailed description of the approach Supplier plans to take in developing, implementing, and maintaining its offering pursuant to the RFQ for the Authorized User. If Supplier is unable to meet the requirements of the RFQ, Supplier shall notify the Authorized User in writing of its inability to perform the work requested by the Authorized User, and provide the reasons for its inability to perform, prior to the due date for the submission of quotes in response to the RFQ. Supplier's failure to respond to an RFQ may be deemed a breach of this Contract.

The RFQ will clearly outline the project timing and requirements. If the Authorized User is not able to identify the exact specifications required, then the RFQ respondents will be given the opportunity to identify and propose their recommended specifications.

ALL CONTRACTUAL OBLIGATIONS UNDER THIS CONTRACT IN CONNECTION WITH AN ORDER OR SOW PLACED BY ANY AUTHORIZED USER ARE THE SOLE OBLIGATION OF SUCH AUTHORIZED USER AND NOT THE RESPONSIBILITY OF VITA UNLESS THE AUTHORIZED USER IS VITA.

For purposes of this section, a "conflict" exists with respect to a subject that has been comprehensively addressed in the Contract when supplementary terms contained in a provision incorporated by reference would alter the rights and obligations of the Parties set forth in the Contract.
