

The contract with Mac Business Solutions provides for acquisition of Apple products and related services for agencies, localities and other public bodies.

All of Apple's products are available through the Mac Business Solutions contract with the exceptions of iPads with cellular capability and all iPhones, which are available from VITA's cellular contracts.

Pricing is a simple discount from Apple's MSRP and can be found in Exhibit B.

Apple's MSRP pricing can be found at <http://store.apple.com/us>

VITA maintains a separate contract for use by Virginia Educational institutions and K-12 schools, VA-150605-APPL.
