VITA will issue a written notification to the Supplier stating VITA's intention to exercise a renewal period no less than 30 calendar days prior to the expiration of any current term. In addition, performance of an order or SOW issued during the Contract Term may survive the expiration of the Contract Term, in which case all contractual terms and conditions required for the operation of such order or SOW will remain in full force and effect until all of Supplier's obligations pursuant to such order or SOW have met the final Acceptance criteria of the applicable Authorized User.

B. Termination for Convenience

VITA may terminate this Contract, in whole or in part, at any time and for any reason upon not less than 30 calendar days prior written notice to Supplier. An Authorized User may terminate an order or SOW, in whole or in part, at any time and for any reason upon not less than 30 calendar days prior written notice to Supplier. Any termination under this provision will not affect the rights and obligations attending any order or SOW outstanding at the termination date.

C. Termination for Breach

In the event of breach by the Supplier, VITA will have the right to terminate this Contract, in whole or in part, and an Authorized User may terminate an order or SOW issued hereunder, in whole or in part. Supplier will be deemed in breach in the event that Supplier fails to meet any material obligation set forth in this Contract or in any order or SOW issued hereunder. Any termination under the provisions of this section will be deemed a "Termination for Breach".

If VITA deems the Supplier to be in breach, VITA shall provide Supplier with notice of breach and allow Supplier 15 business days to cure the breach. If Supplier fails to cure the breach as noted, VITA may immediately terminate this Contract or any order or SOW issued pursuant to this Contract, in whole or in part. If an Authorized User deems the Supplier to be in breach of an order or SOW, that Authorized User shall provide Supplier with notice of breach and allow Supplier 15 business days to cure the breach. In addition, if Supplier is found by a court of competent jurisdiction to be in violation of or to have violated 31 U.S.C. § 1352, or if Supplier becomes a party excluded from Federal Procurement and Nonprocurement Programs, VITA may immediately terminate this Contract, in whole or in part, for breach, and VITA shall provide written notice to Supplier of such termination. Supplier shall provide prompt written notice to VITA if Supplier is charged with violation of 31 U.S.C. § 1352, or if federal debarment proceedings are instituted against Supplier.

D. Termination for Non-Appropriation of Funds

All payment obligations from public bodies under this Contract are subject to the availability of legislative appropriations at the federal, state, or local level for this purpose. In the event of non-appropriation of funds, irrespective of the source of funds, for the items under this Contract, VITA may terminate this Contract, in whole or in part, or any order or SOW, in whole or in part, or an Authorized User may terminate an order or SOW, in whole or in part, for those goods or services for which funds have not been appropriated. Written notice will be provided to the Supplier as soon as possible after legislative action is completed.

E. Effect of Termination

Upon termination, neither the Commonwealth, nor VITA, nor any Authorized User will have any future liability except for Deliverables accepted by an Authorized User or Services (including any applicable Licensed Services and Maintenance Services) rendered by Supplier and accepted by the Authorized User prior to the termination date.

In the event of a Termination for Breach, Supplier shall accept return of any Deliverable that was not accepted by the Authorized User, and Supplier shall refund any monies paid by any Authorized User for the unaccepted Deliverable. [Following sentence is optional depending on

nature of what is being purchased, delete if not applicable]]The Authorized User will also have the right, in its sole discretion, to return any accepted Deliverable and Supplier shall refund any monies paid for the accepted Deliverable, less a reasonable value for the use of those components.][[END optional sentence]] Supplier will bear all costs of de-installation and return of Deliverables.

F. Termination by Supplier

In no instance will termination by Supplier be considered. Failure by an Authorized User to make timely payments owed to Supplier for its performance under this Contract will constitute a breach by that Authorized User. Supplier's remedy for a breach is limited to the remedies set forth in Code § 2.2-4363 and the "Remedies" section of this Contract below.

G. Transition of Services

At the request of an Authorized User prior to or upon expiration or termination of this Contract, Supplier shall provide all assistance as the Authorized User may reasonably require to transition the Supplier's contractual obligations, or any portion thereof, to any other supplier with whom the Authorized User contracts for provision of same. This Transition Period obligation may extend beyond expiration or termination of the Contract for a period of up to twelve (12) months. If this Contract includes Supplier's provision of licensed products, Supplier shall take no action to restrict or terminate the use of such licensed products after the date of expiration or termination of the Contract or during any Transition Period, or both. Authorized Users shall pay for any additional maintenance or licensing fees during any Transition Period at the hourly rate or at a fee agreed upon by Supplier and the applicable Authorized User. Supplier shall provide all reasonable transition assistance requested by the applicable Authorized User to allow for the expired or terminated portion of the Services to continue without interruption or adverse effect, and to facilitate the orderly transfer of such Services to Authorized User. The transition assistance will be deemed by the parties to be governed by the terms and conditions of this Contract, except for those terms or conditions that do not reasonably apply to transition assistance. Further, any Transition Period will not affect any Authorized User's rights in regards to any purchased Software perpetual licenses which are paid in full.

H. Contract Kick-Off Meeting

Within 30 calendar days of the Effective Date, Supplier may be required to attend a contract orientation meeting, along with the VITA contract manager/administrator, Authorized User project manager(s) or authorized representative(s), and any other significant stakeholders who have a part in the successful performance of this Contract. The purpose of this meeting will be to review all contractual obligations for both parties, all administrative and reporting requirements, and to discuss any other relationship, responsibility, communication and performance criteria set forth in the Contract.

I. Transition Out Plan

Within three (3) months of the Effective Date, Supplier will develop and distribute to the applicable Authorized User a Transition Out Plan. The Supplier will maintain the Transition Out Plan throughout the Contract Term, and update the Transition Out Plan as needed and subject to Authorized User's approval.

J. Contract Closeout

Prior to the Contract's expiration date, Supplier may be provided contract closeout documentation by VITA. If contract closeout documentation is provided, then Supplier shall complete, sign, and return to VITA Supply Chain Management any required documentation within 30 calendar days of receipt to ensure completion of closeout administration and to maintain a positive performance reputation with the Commonwealth. Any required closeout documentation not received within 30 calendar days of Supplier's receipt of the Commonwealth's request will be documented in the contract file as Supplier non-compliance. Supplier's non-compliance may affect any pending payments due to the Supplier, including final payment, until the documentation is returned to VITA.

4. SUPPLIER PERSONNEL

A. Selection and Management of Supplier Personnel

Supplier shall ensure that all Supplier Personnel performing under this Contract are competent and knowledgeable of the contractual arrangements and the applicable order or SOW between Authorized User and Supplier. Supplier acknowledges that Supplier is the employer of all Supplier employees and shall have the sole responsibility to supervise, counsel, discipline, review, evaluate, set the pay rates of, provide (to the extent required by law) health care and other benefits for, and terminate the employment of Supplier employees. Supplier shall be solely responsible for the supervision and conduct of Supplier Personnel, including all acts, omissions, gross negligence, and willful misconduct of Supplier Personnel. Additionally, Supplier shall ensure that Supplier Personnel comply with the appropriate Authorized User's site security, information security and personnel conduct rules, as well as applicable federal, state and local laws, including export regulations. Authorized User reserves the right to require the immediate removal from such Authorized User's premises of any Supplier Personnel whom such Authorized User believes has failed to comply with the above or whose conduct or behavior is unacceptable or unprofessional or results in a security or safety breach.

B. Key Personnel

An order or SOW may designate certain of Supplier's personnel as "Key Personnel" or "Project Managers". Supplier's obligations with respect to Key Personnel and Project Managers will be described in the applicable order or SOW. Any changes to Key Personnel must be mutually agreed to in writing by Supplier and Authorized User. Failure of Supplier to perform in accordance with such obligations may be deemed a breach of this Contract or of the applicable order or SOW.

C. Subcontractors

Supplier shall not use Subcontractors to perform its contractual obligations or any order or SOW issued pursuant to the Contract unless specifically authorized in writing to do so by the Authorized User. If an order or SOW issued pursuant to this Contract is supported in whole or in part with federal funds, Supplier may not subcontract to any Subcontractor that is a party excluded from Federal Procurement and Nonprocurement Programs. In no event may Supplier subcontract to any Subcontractor that is debarred by the Commonwealth or that owes back taxes to the Commonwealth and has not made arrangements with the Commonwealth for payment of such back taxes.

If Supplier subcontracts the provision of any performance obligation under this Contract to any other party, Supplier shall (i) act as prime contractor and will be the sole point of contact with regard to all obligations under this Contract; and (ii) represent and warrant that any authorized Subcontractors shall perform in accordance with the terms and conditions, including warranties, set forth in this Contract.

5. NEW TECHNOLOGY

A. Access to New Technology

Supplier will bring to VITA's attention any new products or services within the scope of the Contract that Supplier believes will be of interest to VITA and will work to develop proposals for the provision of any such products or services as VITA requests.

B. New Service Offerings Not Available from Supplier

If new or replacement product or service offerings become available and cannot be competitively provided by the Supplier under the scope of this Contract, VITA will have the right to purchase the new or replacement products or services from a third party. If VITA elects to use such new or replacement product or service offerings, Supplier will reasonably assist VITA to migrate to such products or services.

If VITA elects to acquire new products or services as described in the paragraph above and such services replace existing Supplier-provided services, discount tiers and any commitments (as applicable per the Contract) will be reduced to reflect reductions in purchases of the replaced products or services.

6. GENERAL WARRANTY

THE OBLIGATIONS OF SUPPLIER UNDER THIS GENERAL WARRANTY SECTION ARE MATERIAL. SUPPLIER MAKES NO OTHER WARRANTIES, EXPRESS OR IMPLIED, ANY CONCERNING MERCHANTABILITY OR FITNESS FOR ANY OTHER PARTICULAR PURPOSE.

Supplier warrants and represents to VITA that Supplier will fulfill its contractual obligations and meet all Requirements as described in Exhibit A. Supplier warrants and represents to VITA that:

A. Ownership

Supplier is the owner of the Product or otherwise has, to the best of Supplier's knowledge, the right to grant to the Commonwealth or any Authorized User title to or the right to use the Product provided pursuant to this Contract. Upon Supplier's receipt of payment, the Commonwealth or the ordering Authorized User, as applicable, will obtain good and clear title to the Product, excluding the System Software, free and clear of all liens, claims, security interests and encumbrances. In addition, Supplier has the right to provide the Services offered under this Contract.

B. Supplier's Warranty

If the Product, including the System Software, fails to conform, in all material respects, to the Requirements, an Authorized User will provide written notice to the Supplier of the failure within ten (10) calendar days of the failure. If the Supplier is unable to make the Product, including the System Software, conform, in all material respects, to the Requirements within 30 calendar days of Supplier's receipt of an Authorized User's notice of failure, Supplier shall, at Authorized User's request, either: (i) provide a replacement Product and related Services at no additional cost to the Authorized User; or (ii) accept return of the Product and return all monies paid by such Authorized User (a) for Maintenance Services for the returned Product, including System Software, pro-rated on a monthly basis as of the date the Authorized User reported the non-conformity, and (b) for the Product, including System Software, pro-rated on a monthly basis as of the date the Authorized User reported the non-conformity and based on the average life of the Product. Supplier's warranties and remedies in this subsection are provided in addition to any remedies described in Supplier's Standard Warranty for Product and related Services, or Maintenance Services, or both.

C. Performance Warranty

With respect to Supplier's performance under this Contract:

- i. Supplier shall perform all contractual obligations with the care, skill and diligence, consistent with or above applicable professional standards currently recognized in Supplier's profession, and Supplier shall be responsible for the professional quality, technical accuracy, completeness, and coordination of all plans, information, specifications, Deliverables, and Services furnished under this Contract; and
- ii. Supplier shall ensure that any contractually-obligated Services or Deliverables, or both, meet or exceed the Requirements and that any Product will function in conformance with the Requirements.

D. Documentation and Deliverables

- i. Any required Documentation Supplier is obligated to provide under this Contract will be sufficient in detail and content to allow an appropriately trained user/programmer to understand and fully utilize, as applicable, the Deliverables without reference to any other materials or information.
- ii. All Deliverables provided or delivered pursuant to this Contract are at the current release level unless an Authorized User specifies an older version in its order or SOW.
- iii. No Update, engineering change, or revision made to any Supplier-provided Deliverables will (a) degrade the performance of any Deliverable or its components to a level below that defined in the Requirements or the Product manufacturer's or Software Publisher's published specifications, as applicable; (b) cause any other warranty to be breached; or (c) require an Authorized User to acquire additional hardware equipment or software.

E. Malicious Code

Supplier has used commercially reasonable efforts through quality assurance procedures to verify that there are no Computer Viruses or undocumented features in any of the Deliverables, as obligated and provided by Supplier under the order or SOW, at the time of delivery to the Authorized User. Supplier has used the best available means to scan any media provided to the Authorized User. Supplier warrants that the Deliverables, as obligated and provided by Supplier under the order or SOW, do not contain any embedded device or code (e.g., time bomb) that is intended to obstruct or prevent any Authorized User's use of the Deliverables.

Notwithstanding any rights granted under this Contract or at law, Supplier waives, under any and all circumstances, any right it has or may have in the future to exercise its license termination rights by electronic means. Supplier agrees that an Authorized User may pursue all remedies provided under law in the event of a breach or threatened breach of this section, including injunctive or other equitable relief.

F. Open Source

Supplier will notify all Authorized Users if any Deliverables, as obligated and provided by Supplier, contain any Open Source code and identify the specific Open Source License that applies to any embedded code dependent on Open Source code, provided by Supplier under this Contract.

G. Supplier's Viability

Supplier has the financial capacity to perform and continue to perform its obligations under this Contract. Supplier has no constructive or actual knowledge of a potential legal proceeding being brought against Supplier that could materially adversely affect performance of this Contract. Further, Supplier is not prohibited by any contract, or order by any court of competent jurisdiction from entering into this Contract.

H. Supplier's Past Experience

Supplier has met similar contractual obligations and fulfilled the Requirements as set forth in Exhibit A and in this Contract, in similar or greater complexity, to other customers without significant problems due to Supplier's performance and without causing a contractual breach or default claim by any customer.

7. SCOPE OF USE

Any Authorized User may use the Product, and any Software licensed in connection with the Product, on a worldwide basis for the benefit of itself and its agents. Supplier further authorizes use of the Product by third parties who are under contract with an Authorized User to provide outsourcing services. If the Commonwealth or an Authorized User takes title under the terms of this Contract to any Products with System Software that is integral to the Products, there will be no restrictions on subsequent resale or distribution of the Products and System Software by the Commonwealth or the Authorized User.

8. FEES, ORDERING, AND PAYMENT PROCEDURE

A. Fees and Charges

In consideration for the Supplier's performance obligations under this Contract, an Authorized User shall pay Supplier the fee(s) owed pursuant to the schedule of fees and charges as set forth on Exhibit B attached to this Contract. Supplier will only be entitled to those fees owed for Supplier's performance obligations and any additional Products and Services provided to an Authorized User in accordance with the scope of this Contract and the Requirements, as authorized by Exhibit A, and per the Authorized User's order or SOW. The fees, and any associated discounts, will be applicable throughout the Contract Term unless modified pursuant to the terms and conditions below.

In the event the fees or discounts apply for any period less than the entire Term, Supplier agrees that it will not request an increase in the fees during the first twelve (12) month period following the Effective Date and will not request an increase in the fees more than once in any subsequent twelve (12) month period thereafter. Beginning 12 months after the Effective Date, Supplier may request in writing an adjustment to the prices set forth in Exhibit B to this Contract. No increase in

fee amounts will exceed the lesser of three percent (3%) or the annual increase in the Consumer Price Index for All Urban Consumers (CPI-U), U.S. City Average, All Items, Not Seasonally Adjusted, as published by the Bureau of Labor Statistics of the Department of Labor (<http://www.bls.gov/cpi/home.htm>) for the period ending 60 to 90 days prior to the effective date of the increase compared with the same index one (1) year prior. Supplier and VITA will work in good faith to agree on an appropriate change in pricing. Supplier must submit any change in price in writing to an Authorized User if the change impacts any order or SOW and in accordance with the above and will not become effective for 60 calendar days thereafter. Supplier agrees to offer price reductions to ensure compliance with the "Competitive Pricing" section of this Contract below.

B. Reproduction Rights for Supplier-Provided Software

At an Authorized User's request, Supplier shall provide the Authorized User with a reproducible, portable data storage device (e.g. CD-ROM or USB flash drive) of Software and Updates. The Authorized User will be responsible for making copies and distributing the Software and Updates as required. Within 30 calendar days of the end of each calendar quarter, the Authorized User shall provide to Supplier a report of the net number of additional copies of the Software or Updates or both deployed during the quarter. Supplier will invoice such Authorized User for the net number of new licenses reported as deployed.

C. Supplier Quote and Request for Quote

An Authorized User may, at its sole discretion, issue a Request for Quote ("RFQ") for any combination of the Product, or Maintenance Services provided under this Contract. Supplier shall respond to the RFQ by providing a written quote. Supplier's quote must include (a) a detailed description of each product or service proposed, including any applicable components, at the Exhibit B line item fee level; (b) the quantity of each line item; (c) the total contract price; (d) any additional percentage discount offered; (e) an extended price; (f) any optional or alternate pricing; and (g) any pricing assumptions. If requested by the Authorized User, Supplier's quote must also include a detailed description of the approach Supplier plans to take in developing, implementing, and maintaining its offering pursuant to the RFQ for the Authorized User. If Supplier is unable to meet the requirements of the RFQ, Supplier shall notify the Authorized User in writing of its inability to perform the work requested by the Authorized User, and provide the reasons for its inability to perform, prior to the due date for the submission of quotes in response to the RFQ. Supplier's failure to respond to an RFQ may be deemed a breach of this Contract.

D. Ordering

Supplier shall not accept any order or SOW from an Authorized User if the order or SOW is to be funded, in whole or in part, by federal funds and if, at the time the order or SOW is placed, Supplier is not eligible to be the recipient of federal funds as may be noted on any of the Lists of Parties Excluded from Federal Procurement and Nonprocurement Programs.

All Authorized Users have the right to license or purchase Supplier's products or services under this Contract, but have no obligation to purchase or license from Supplier any of Supplier's products or services.

Supplier shall accept any order or SOW placed by an Authorized User through the Commonwealth's electronic procurement website portal, eVA (<http://www.eva.virginia.gov/>). Agencies, as defined by Code § 2.2-2006, and legislative, judicial, and independent agencies of the Commonwealth, must order through eVA. All other Authorized Users are encouraged to order through eVA, but may order through the following means:

- i. Purchase Order ("PO"): An official PO form issued by an Authorized User.
- ii. Any other order/payment charge or credit card process, such as AMEX, MASTERCARD, or VISA under contract for use by an Authorized User. This ordering authority is limited to issuing orders or SOWs for the contractual offerings and Requirements available under the scope of this Contract. No Authorized User will have the authority to modify this Contract under any circumstances. An order or SOW may contain additional terms and conditions. In the event that the terms and conditions of an order or SOW are inconsistent with the terms and conditions of this Contract, the terms and conditions of this Contract will supersede.

ALL CONTRACTUAL OBLIGATIONS UNDER THIS CONTRACT IN CONNECTION WITH AN ORDER OR SOW PLACED BY ANY AUTHORIZED USER ARE THE SOLE OBLIGATION OF SUCH AUTHORIZED USER AND NOT THE RESPONSIBILITY OF VITA UNLESS THE AUTHORIZED USER IS VITA.

E. Statement of Work

A SOW, in the format provided for in Exhibit C attached to this Contract, is required for any orders placed by an Authorized User pursuant to this Contract. Supplier shall perform any and all contractual obligations at the times and locations set forth in the applicable SOW and at the rates set forth in Exhibit B to this Contract. All SOWs will be of a fixed price type unless VITA issues a written authorization for a time and materials type SOW. The fixed price SOWs may, with the written approval of VITA, contain a cost-reimbursable line item(s) for pre-approved travel expenses pursuant to the provisions of the "Reimbursement of Expenses" subsection below. If a time and materials type SOW is authorized, Supplier Personnel shall maintain daily time records of hours and tasks performed that must be submitted or made available for inspection by the Authorized User upon 48 hours advance written notice.

Any change to an SOW must be described in a written change request, in the format provided in Exhibit D. Either Party to an SOW may issue a change request that will be subject to written approval of the other Party before it becomes part of this Contract. In no event will any SOW or any modification require the Supplier to provide any Products or Services that are beyond the scope of this Contract as such scope is defined in Exhibit A, which is attached to this Contract and incorporated by reference.

F. Invoice Procedures

Supplier shall remit each invoice to the "bill-to" address provided with the order promptly after all Supplier's performance obligations have been accepted and in accordance with the milestone payment schedule, if any, in the applicable order or SOW. Payment for any support services, as authorized in the Contract and the Authorized User's applicable order or SOW, will be annually in arrears unless otherwise stated in this Contract, or in any order or SOW referencing this Contract. No invoice may include any costs other than those identified in the signed order or SOW, and those costs must be in accordance with the schedule of fees listed on Exhibit B. Without limiting the foregoing, all shipping costs are the Supplier's responsibility except to the extent shipping charges are identified in Exhibit B and noted in any signed order or SOW referencing this Contract. Supplier shall issue invoices that identify, at a minimum:

- i. Dates/periods that invoice covers, including any service or subscription periods, as applicable.
- ii. Line item description of the Deliverable(s) applicable to this Contract, including any components or service type, and, if applicable, the project milestone.
- iii. Quantity, charge and extended pricing for each line item
- iv. Applicable date of the order or SOW or both
- v. This Contract number and the applicable order number or SOW number or both
- vi. Supplier's Federal Employer Identification Number ("FEIN")

Any terms included on Supplier's invoice will have no force or effect and will in no way bind the Authorized User.

G. Purchase Payment Terms

Supplier is responsible for the accuracy of its billing information. Supplier may not issue invoices pursuant to this Contract until all of Supplier's performance obligations have been accepted and are in accordance with the milestone payment schedule in the applicable order or SOW, or until after services have been rendered. Charges for Deliverables, Components or Services accepted more than 90 calendar days prior to receipt of a valid invoice may not be paid. In the event Supplier repeatedly over-bills an Authorized User, the Authorized User may assess a one percent (1%) charge for the amount over-billed for each month that such over-billing continues.

H. Reimbursement of Expenses

An Authorized User will only be liable to pay for Supplier's travel-related expenses, including transportation, meals, lodging and incidental expenses, that have been authorized by the Authorized User in advance in the order or SOW. The travel-related expenses will be reimbursable at the then-current per diem amounts and other travel regulations as published by the Virginia Department of Accounts (<http://www.doa.virginia.gov/>). Authorized Users who are not public bodies may have their own per diem amounts or other travel regulations applicable to Supplier's pre-approved travel expenses.

All reimbursed expenses will be billed to the Authorized User on a pass-through basis without any markup by Supplier. At Authorized User's request, Supplier shall provide copies of receipts for all travel expenses over US\$30.00.

I. Disputed Charges

If, before payment of an invoice, an Authorized User notifies the Supplier in writing of a disputed charge, Authorized User will have the right to withhold payment of the disputed amount until the dispute is settled or finally resolved. Supplier shall respond in writing to Authorized User's notification of a disputed charge acknowledging Supplier's receipt of the dispute within five (5) business days. Any charges disputed by Authorized User will be resolved (whether by credit or explanation of the charge to the Authorized User's satisfaction) in the Authorized User's required format within two (2) billing cycles (60 calendar days) following Authorized User's written notification. In the absence of the Supplier's written evidence identifying the merit of the disputed amounts, Authorized User will not be obligated to pay the disputed amounts and may consider the matter concerning the specific identified amounts closed. Authorized User will not pay any disputed amounts that remain unresolved after 120 calendar days. If a disputed charge is reversed, Supplier shall reverse all associated surcharges, regulatory charges and taxes.

9. SUPPLIER-SPONSORED PRODUCT PROMOTIONS

The Supplier, at its discretion, may sponsor Product and Service promotions during the Contract Term. In the event that Supplier chooses to sponsor such a promotion, Supplier shall provide in writing to VITA, at least five (5) days prior to the promotion, the following information: (i) the dates of the promotion or the duration of the promotion to include the commencement date and the ending date; (ii) the exact Products or Services covered in the promotion; and (iii) the pricing or percentage discount offered during the promotion. VITA will communicate to Supplier in writing its agreement to the promotion.

Supplier shall make all sponsored Product or Service promotions available to all Authorized Users. Should the Supplier request a promotion that would be limiting, either through product configuration or quantities of Products and Services, VITA, at its sole discretion, may not provide a written agreement. VITA and Supplier agree that promotions will not target any one Authorized User, or a few Authorized Users.

VITA and Authorized Users may, at their discretion, assist in advertising the promotion. This assistance may consist of advertising space on Authorized User web sites, or other assistance at an Authorized User's discretion.

If Supplier fails to obtain the prior written agreement of VITA for the promotion, proposes prices different from those in the Contract without VITA's consent, or otherwise does not adhere to the provisions of this section, Supplier will be deemed to be in breach of this Contract. VITA will have all remedies for this breach available under the Contract as well as in law and in equity.

10. REPORTING

Supplier shall submit to VITA monthly reports containing data on:

- i. Amount of Total Sales; and
- ii. Small Business Procurement and Subcontracting Spend

These reports must be submitted in accordance with the instructions and further detailed requirements, and on the templates set forth on the "Supplier & Vendor Reporting Requirements" webpage located at the following URL: <https://www.vita.virginia.gov/procurement/supplier->

[reporting/supplier--vendor-reporting-requirements/](https://www.vita.virginia.gov/procurement/supplier-reporting/supplier--vendor-reporting-requirements/), or any successor URL(s). Supplier is encouraged to review the site periodically for updates on Supplier reporting requirements and methods. Supplier's failure to comply with all reporting, payment, and other requirements in this section may be deemed by VITA, in its sole discretion, to be a breach of the Contract.

A. Amount of Realized Sales

Supplier shall submit to VITA a monthly report of Total Sales under this Contract.

In connection to the monthly report of Total Sales, Supplier shall pay to VITA the following monthly fees in accordance with instructions described on the "Supplier & Vendor Reporting Requirements" webpage located at: <https://www.vita.virginia.gov/procurement/supplier-reporting/supplier--vendor-reporting-requirements/>. The monthly report of Total Sales must include these fees and percentages:

- IFA: 2% of monthly sales
- Rebate: 0% of monthly sales

B. Small Business Procurement and Subcontracting Spend

Supplier shall provide to VITA a report of monthly subcontracting spend data. This data must include Supplier's total spend to all Subcontractors who provide direct performance for obligations under this Contract. Supplier's monthly subcontracting spend data must be submitted via the SRS webpage located at: <https://www.vita.virginia.gov/procurement/supplier-reporting/supplier-reporting-system-access/>.

In addition, every six (6) months following the Effective Date, Supplier shall submit to VITA a "SWaM Subcontracting Certification of Compliance" ("**SSCC**") certifying that Supplier has fully complied with the Contract's Supplier Procurement and Subcontracting Plan ("**Plan**"). A copy of Supplier's Plan is attached to this Contract as Exhibit H, and is incorporated by reference. The SSCC must include a written explanation of any variances of greater than 20% between the Plan and the actual subcontractor spend by Supplier. Supplier's SSCC will be maintained by VITA in the Supplier's procurement file. Supplier must submit the SSCC to the following address: SCMInfo@vita.virginia.gov. In the event that Supplier fails to comply with its contractually obligated Plan spend or fails to report its contractually obligated Plan spend, VITA may, at its sole discretion, prohibit or delay any renewals or extensions of the Contract, withhold any final payments due, or both. Supplier's failure to comply will be considered in the prospective award of any future contracts with Supplier.

11. TRAINING AND DOCUMENTATION

Any training or documentation necessary for an Authorized User to have full benefit of the Product shall be deemed included in the scope of the applicable order or SOW unless expressly excluded.

12. AUTHORIZED USER SELF-SUFFICIENCY

At Authorized User's request, and pursuant to an order or SOW for Supplier's Services issued under this Contract, Supplier shall provide all assistance reasonably required by Authorized User to develop Authorized User's self-sufficiency in operating and managing any combination of the Solution, Software, Products, or Services that Supplier provided to Authorized User under the applicable order or SOW. During or after the Transition Period, Authorized User may, at its sole discretion, elect to order or continue Maintenance Services from Supplier, if authorized under the scope of the Contract, for any of the Software or hardware Product, Components, or Solution Components delivered to Authorized User by Supplier.

13. CONFIDENTIALITY

A. Treatment and Protection

Each Party shall:

- i. hold in strict confidence all Confidential Information of any other Party;

- ii. use the Confidential Information solely to perform or to exercise its rights under this Contract; and
- iii. not transfer, display, convey or otherwise disclose or make available all or any part of the other Party's Confidential Information to any third-party.

An Authorized User may, however, disclose the Confidential Information as delivered by Supplier to subcontractors, contractors, or agents of the Authorized User that are bound by non-disclosure agreements with the Authorized User. Each Party shall take the same measures to protect against the disclosure or misuse of the Confidential Information as it takes to protect its own proprietary or confidential information, but in no event will such measures be less than reasonable care.

B. Return or Destruction

Upon the termination or expiration of this Contract, or upon the earlier written request of the disclosing Authorized User, Supplier shall, at its own expense, and at the election of the Authorized User, either:

- i. promptly return all tangible Confidential Information (and all copies thereof except the record required by law) to the disclosing Authorized User; or
- ii. destroy any Confidential Information in Supplier's possession or control, and provide the disclosing Authorized User with written certification of the destruction.

Additionally, Supplier shall cease all further use of the Authorized User's Confidential Information, whether in tangible or intangible form.

The Authorized User shall retain and dispose of Supplier's Confidential Information in accordance with the Commonwealth's records retention policies or, if Authorized User is not subject to the Commonwealth's policies, in accordance with the Authorized User's own records retention policies.

C. Confidentiality Statement

All Supplier Personnel performing Services pursuant to this Contract are required to sign a confidentiality statement or non-disclosure agreement. Any violation of the statement or agreement will be deemed a breach of this Contract and may result in termination of the Contract or any order or SOW issued hereunder.

D. Freedom of Information Act Acknowledgement

All Supplier documents now or later comprising the Contract may be released in their entirety under the Virginia Freedom of Information Act, and Supplier agrees that any confidentiality or similar stamps or legends that are attached to any future documents or information may be ignored to the extent they claim confidentiality beyond that permitted by the Virginia Freedom of Information Act.

In the case of Supplier proprietary or trade secret information, Supplier must have followed the procedures required by Code § 2.2-4342(F) in order for the information to be protected from disclosure under the Virginia Freedom of Information Act.

14. INDEMNIFICATION

A. Indemnification Generally

Supplier shall defend, indemnify, and hold harmless all Commonwealth Indemnified Parties from and against any third-party Claims to the extent the Claims in any way relate to, arise out of, or result from:

- i. any negligent act, negligent omission, or intentional or willful conduct of Supplier or any Supplier Personnel;
- ii. a breach of any representation, warranty, covenant, or obligation of Supplier contained in this Contract;

- iii. any defect in the Supplier-provided products or services;
- iv. any actual or alleged infringement or misappropriation of any third party's intellectual property rights by any of the Supplier-provided products or services; or
- v. any Claims by any Subcontractor resulting from Supplier's failure to pay such Subcontractor.

B. Defense of Claims

Supplier will be solely responsible for all costs and expenses associated with the defense of all third-party Claims against Commonwealth Indemnified Parties. Selection and approval of counsel, and approval of any settlement, shall be accomplished in accordance with all applicable laws, rules, and regulations. For state agencies, the applicable laws include §§ 2.2-507, 2.2-510, and 2.2-514 of the Code.

C. Duty to Replace or Reimburse

In the event of a Claim pursuant to any actual or alleged infringement or misappropriation of any third party's intellectual property rights by any of the Supplier-provided products or services, or Supplier's performance, Supplier shall, at its expense and option, either (a) procure the right to continue use of such infringing products or services, or any components thereof; or (b) replace or modify the infringing products or services, or any components thereof, with non-infringing products or services satisfactory to VITA.

In the event that an Authorized User cannot use the affected Deliverable, Product, Licensed Services, or Services, including any Components, then Supplier shall reimburse such Authorized User for the reasonable costs incurred by such Authorized User in obtaining an alternative product or service.

D. Supplier Dispute of Obligation to Indemnify

If a Claim is commenced against any Commonwealth Indemnified Parties by a third party alleging an infringement of the third party's intellectual property rights and Supplier is of the opinion that the allegations in the third-party Claim, in whole or in part, are not covered by the indemnification provision in this Contract, then Supplier shall immediately notify VITA and the affected Authorized User(s) in writing of its opinion that it is not obligated to indemnify VITA or the affected Authorized User. Supplier shall, nonetheless, take all reasonable steps to protect the rights, remedies, and interests of the Commonwealth Indemnified Parties in the defense of the Claim, including to secure a continuance to permit VITA and the affected Authorized User(s) to appear and defend their interests in cooperation with Supplier as is appropriate, including any jurisdictional defenses VITA or the affected Authorized User(s) may have.

15. LIABILITY

A. Supplier Liability

Supplier agrees that it is fully responsible for all acts and omissions of Supplier Personnel, including their negligence, gross negligence or willful misconduct, under this Contract.

Supplier's liability and indemnification obligations under this Contract shall not exceed, in aggregate, twice the value of the Contract. For purposes of this Contract, "value of the Contract" means the cumulative obligations under this Contract, including any orders, SOWs, or Change Orders thereto, by the Commonwealth.

The limitations on liability set forth in this section will not apply to liability arising from any combination of the following:

- i. any intentional or willful misconduct, fraud, or recklessness of Supplier or any Supplier Personnel; or
- ii. claims for bodily injury, including death, and damage to real property or tangible property resulting from the negligence of a Supplier or any Supplier Personnel.

B. Limitation of Liability

Neither Party will be liable to the other Party for any indirect, incidental, consequential, or punitive damages, including (without limitation) loss of profit, income, or savings, even if advised of the possibility of these damages.

16. INSURANCE

In addition to the insurance coverage required by law as referenced in the "Incorporated Contractual Provisions" section of this Contract below, Supplier shall carry:

Errors and omissions insurance coverage in the amount of \$5,000,000 per occurrence.

Throughout the Contract Term, Supplier shall provide evidence of insurance and access to a copy of Supplier's policy documents upon request by VITA.

17. SECURITY COMPLIANCE

Supplier shall comply with all provisions of the then-current Commonwealth security policies, standards, and guidelines published by VITA and which may be found at: <https://www.vita.virginia.gov/policy--governance/itrm-policies-standards/>, or any successor URL(s), as are pertinent to Supplier's operation. Further, Supplier shall comply with all applicable provisions of the relevant Authorized User's then-current security procedures as are pertinent to Supplier's operation and that have been provided to Supplier by the Authorized User. Supplier shall also comply with all applicable federal, state, and local laws and regulations, including those pertaining to information security and privacy.

Any unauthorized release of any Confidential Information, or Commonwealth proprietary or personal information, by the Supplier or Supplier Personnel constitutes a breach of Supplier's obligations under the Contract. Supplier shall notify VITA and any affected Authorized User within 24 hours of discovery of, or when Supplier should have discovered, any breach of "unencrypted" and "unredacted" personal information, as those terms are defined in Code § 18.2-186.6, and other confidential or personal identifying information provided to the Supplier by VITA or an Authorized User. To the extent permitted by law, Supplier shall provide VITA and any affected Authorized User the opportunity to participate in the investigation of the breach and to exercise control over reporting the unauthorized disclosure.

Supplier shall ensure performance of an audit of Supplier's environment at least annually to provide assurance of "Controls Relevant to Security, Availability, Processing Integrity, Confidentiality or Privacy" in accordance with the then-current standards set forth by the American Institute of CPAs.

18. IMPORT/EXPORT

Supplier shall comply with all data export laws and regulations. In addition, VITA policy requires that any data deemed "restricted" or "sensitive" by either federal or state authorities, may only be collected, developed, analyzed, or otherwise used or obtained by persons or entities working within the continental United States.

19. BANKRUPTCY

If Supplier becomes insolvent, takes any step leading to its cessation as a going concern, fails to pay its debts as they become due, or ceases business operations continuously for longer than 15 business days, then VITA may immediately terminate this Contract, and an Authorized User may terminate an order or SOW, on notice to Supplier unless Supplier immediately gives VITA or such Authorized User adequate assurance of the future performance of this Contract or the applicable order or SOW. If this Contract has not been otherwise terminated and bankruptcy proceedings are commenced with respect to Supplier, then VITA may suspend all further performance of this Contract until Supplier assumes this Contract and provides adequate assurance of its performance of Supplier's contractual obligations or rejects this Contract pursuant to Section 365 of the Bankruptcy Code or any similar or successor provision, it being agreed by VITA and Supplier that this is an executory contract. Any suspension of further performance by VITA or Authorized User pending Supplier's assumption or rejection will not be a breach of this Contract, and will not affect the rights of VITA or any Authorized User to pursue or enforce any of its rights under this Contract or otherwise.

20. GENERAL PROVISIONS

A. Relationship Between VITA and Authorized User and Supplier

Supplier has no authority to contract for, bind or commit to any agreement of any kind, or to assume any liabilities of any nature in the name of or on behalf of VITA or any Authorized User. Under no circumstances will Supplier, or any Supplier Personnel, hold itself out as or be considered an agent or an employee of VITA or any Authorized User, and neither VITA nor any Authorized User will have any duty to provide or maintain any insurance or other employee benefits on behalf of Supplier or any Supplier Personnel. Supplier represents and warrants that it is an independent contractor for purposes of federal, state, and local employment taxes, and agrees that neither VITA nor any Authorized User is responsible to collect or withhold for Supplier any federal, state, or local employment taxes, including, but not limited to, income tax withholding and social security contributions. Supplier shall pay or withhold any and all taxes, interest or penalties (including, but not limited to, any federal, state, or local withholding or employment taxes, and any penalties related to health care or employee benefits laws) that are imposed, assessed, or levied as a result of this Contract or Services performed pursuant to this Contract. Supplier shall reimburse VITA or any Authorized User in the event that any taxes, interest or penalties are assessed against and paid by VITA or any Authorized User as a result of this Contract.

B. Licensing Within the Commonwealth

Any and all licenses granted or provided pursuant to this Contract, whether to Work Product, System Software, COTS Software, or any other Software will be held by:

- i. the Commonwealth, if the Authorized User is an agency as defined by Code § 2.2-2006 or a legislative, judicial and independent agency of the Commonwealth, board, commission, or other quasi-political entity of the Commonwealth of Virginia or other body referenced in Title 2.2 of the Code;
- ii. the applicable public body, if the Authorized User is a locality, municipality, school, school system, college, university, local board, local commission, or local quasi-political entity; or
- iii. the applicable private institution of higher education, if the Authorized User is a private institution of higher education listed at: <http://www.cicv.org/Our-Colleges/Profiles.aspx>.

C. Licenses and Permits

Supplier shall be responsible for obtaining all rights-of-way, licenses, and/or permits required by applicable authorities in order to perform installation Services at the location(s) specified on any order or SOW issued pursuant to this Contract.

D. Incorporated Contractual Provisions

In addition to the terms, conditions, and obligations of this Contract, Supplier agrees to the VITA “**Mandatory Contract Terms**” which consist of the VITA:

- “Core Contractual Terms”;
- “Required eVA Terms and Conditions”; and
- “Mandatory Internal Revenue Service (IRS) Publication 1075 (required for FTI data only)”

Each of these Mandatory Contract Terms are set forth at the following URL and incorporated into this Contract by reference: <https://www.vita.virginia.gov/procurement/contracts/mandatory-contract-terms/>.

Supplier agrees that non-compliance with the above-referenced Mandatory Contract Terms may be deemed, solely by VITA, as a material breach of the applicable Order or SOW or of the Contract. Supplier is responsible for verifying the correct and current version of this IRS publication and related safeguarding terms language and acknowledges that any Authorized User issuing the Order or SOW will be held harmless.

The terms and conditions set forth in documents posted at the URL above, and any successor URL(s), are subject to change pursuant to action by the legislature of the Commonwealth, change in VITA policy, adoption of revised eVA business requirements, or change to IRS Publication

1075. If a change is made to any of the Mandatory Contract Terms documents, a new effective date will be noted in the applicable document title. Supplier is advised to check the URLs, or their successors, periodically.

E. Compliance with the Federal Lobbying Act

Supplier's signed certification of compliance with 31 U.S.C. § 1352 (entitled "Limitation on use of appropriated funds to influence certain Federal Contracting and financial transactions") or by the regulations issued from time to time thereunder is incorporated as Exhibit G to this Contract.

F. Ethics in Public Contracting

By signing this Contract, Supplier warrants that its assent to this Contract is made without collusion or fraud, and that Supplier has not offered or received any kickbacks or inducements from any other bidder, supplier, manufacturer or subcontractor in connection with their proposal or the terms of this Contract. Further, Supplier warrants that it has not conferred any payment, loan, subscription, advance, deposit of money, services, or anything of more than nominal value, present or promised, on any public employee having official responsibility for this procurement transaction, unless consideration of substantially equal or greater value was exchanged. In addition, Supplier warrants that it will notify VITA if it becomes aware of a potential conflict of interest in the future.

G. Governing Law

This Contract is governed by and will be construed in accordance with the laws of the Commonwealth of Virginia without regard to that body of law controlling choice of law. Any and all litigation relating to this Contract must be brought in the circuit courts of the Commonwealth of Virginia. The English language version of this Contract prevails when interpreting this Contract. The United Nations Convention on Contracts for the International Sale of Goods and all other laws and international treaties or conventions relating to the sale of goods are expressly disclaimed. The Uniform Computer Information Transactions Act applies to this Contract only to the extent required by Code § 59.1-501.15.

H. Dispute Resolution

In accordance with Code § 2.2-4363, contractual claims, whether for money or other relief, must be submitted in writing to the public body from whom the relief is sought no later than 60 calendar days after final payment; however, written notice of the Supplier's intention to file such claim must be given to such public body at the time of the occurrence or beginning of the work upon which the claim is based. Pendency of claims will not delay payment of amounts agreed due in the final payment. The relevant public body shall render a final decision in writing within 30 calendar days after its receipt of the Supplier's written claim.

The Supplier may not invoke any available administrative procedure under the Code nor institute legal action prior to receipt of the decision of the relevant public body on the claim, unless that public body fails to render its decision within 30 calendar days. The decision of the relevant public body will be final and conclusive unless the Supplier, within six (6) months of the date of the final decision on the claim, invokes appropriate action under Code § 2.2-4364 or the administrative procedure authorized by Code § 2.2-4365.

In the event of any breach by a Commonwealth agency, Supplier's remedies will be limited to claims for damages and interest allowable under the Code and, if available and warranted, equitable relief.
