1.0 Introduction

This Exhibit contains the list of Key Personnel. The Supplier is expected to complete the provided table with the list of Key Personnel as follows:

- Role Title
- On-Site or Off-Site (to VITA)
- Leveraged or Dedicated resource. A leveraged resource is one that is shared amongst multiple clients, projects, or contracts. A dedicated resource is one whose sole responsibility will be to the VITA account and this contract.
- Name
- Years of Experience
- Tenure with the Company

The Key Personnel will include, at a minimum, the Supplier's Account Executive and Account Manager.

Additional examples of Key Personnel Role Titles could include the Supplier's Project Manager, Transition Project Executive, Transition Project Manager, Program Management Office Manager, Operations Manager, Continual Service Improvement Manager, Security Architect, Information Security Manager, Governance Body Representatives, Lead Business Relationship Manager and Architect.

The Key Personnel will be highly qualified and capable of fulfilling the responsibilities of their positions, and Supplier will cause each of them to be responsible to the provision of the Services.
