

Standard Warranty

PANASONIC CONNECT NORTH AMERICA STANDARD WARRANTY

Every Panasonic mobile computer comes standard with one of the industry's most comprehensive warranties. This document details the Standard Warranty that comes with each TOUGHBOOK® laptop, tablet and handheld device from Panasonic.

LIMITED WARRANTY—HARDWARE

Panasonic Connect North America, referred to hereinafter as "Panasonic", will repair or replace, at Panasonic's sole discretion, the Panasonic Mobile Computer products listed below ("Product(s)") with new or rebuilt parts, free of charge, in a Panasonic Authorized Service Center for the period specified below from the date of original purchase in the event of a defect in materials or workmanship. This warranty is provided solely to the original purchaser and cannot be transferred. A purchase receipt or other proof of date of original purchase will be required before warranty performance is rendered.

- Laptop PC (CF-## / FZ-##)—3 Years
- Tablet PC/Handheld (FZ-##)—3 Years
- FZ-T1, FZ-L1 & FZ-S1 products have a "Limited Warranty—Hardware" of 1-year.
[For details refer to the FZ-T1/L1/S1 warranty statement.](#)

Panasonic will retain service replacement parts for the Products for at least 5 years from the end of production date, or 5 years from end of sale date, whichever comes later. Some product exceptions will retain replacement parts for up to seven (7) years.

For details, contact 1-800-LAPTOP5 [option 1] (800-527-8675).

Original Battery Warranty

Batteries supplied with the Product are covered under the warranty for one (1) year from date of purchase. Batteries purchased separately are covered under the warranty for one (1) year from the date of purchase. A replacement battery furnished under the Product warranty is covered for the remaining period of the one-year warranty on the original or purchased battery.

Optional: Extended Warranty Program¹

If this coverage is purchased, the serial numbered Product is entitled to the same manufacturer's warranty coverage on the Product with the exception of the battery. The cost of labor, parts, and shipping are included in the price of the Extended Warranty Program.

Optional: Panasonic "Protection Plus" Warranty²

Any Product for which the Panasonic "Protection Plus" warranty has been purchased will receive additional coverage for any failure that occurs due to accidental damage of the Product with an exclusion only of customer intentional acts and damage caused by events beyond human control.

All other terms and conditions of the standard warranty apply, and this additional coverage will exist for the duration of the standard warranty period of the Product. Protection Plus covers one major repair each year. If an extended Protection Plus warranty program is purchased, coverage is extended to the end of the last year of extended coverage purchased.

This warranty does not cover failures or defects that are caused by fire, intentional acts, loss, theft, improper maintenance, modification, or service by anyone other than a Panasonic Authorized Service Provider, or damage that is attributable to events outside of human control or activity ("Acts of God"). Cosmetic damage that does not affect functionality is not covered.³ Cosmetic damage on Products with hardware failures will be repaired in accordance with the warranty terms. This warranty is extended solely to the original purchaser on the Product's serial number for which it was purchased. Complete Product unit replacement fulfills the full obligation and is at the discretion of Panasonic and is limited to once during the coverage term.

Optional: Panasonic "Ultimate Care" Warranty⁴

Any Product for which the Panasonic "Ultimate Care" warranty program has been purchased will receive additional coverage as specified in that program, for any failure that occurs due to accidental damage. All other terms and conditions of the standard warranty will apply, and this additional warranty coverage will exist for the duration of the standard warranty period of the applicable Product. If an extended warranty is purchased for the Product together with the Ultimate Care warranty program coverage, the warranty term will be extended to the end of the last year of the purchased extended warranty coverage.

The Ultimate Care warranty will cover any hardware failures occurring due to accidental damage of the Product with an exclusion only of customer intentional acts and damage caused by events beyond human control, with a total loss replacement limit of a maximum of 2% of the total number of Products deployed for a specific customer.³

This includes unlimited replacement of major sub-assemblies and components of the Product during the standard warranty term and any extended warranty term plan that has been purchased by the customer. This also includes cosmetic damages that may result from exposure of the internal components of the Product to the environmental conditions.

Options and Accessories Warranties

The below listed Panasonic brand or supplied options and accessories are covered under this limited warranty for the period specified from the date of purchase or as specifically stated:

- **AC Adapter/Power Cord**—3 Years
- **Memory Expansion Card** (Panasonic furnished)—3 Years
- **xPAKs**—3 Years
- **Desktop Port Replicator**—3 Years
- **Backlit or Full-sized keyboard**—3 Years or assumes warranty of the unit in which it is installed
- **Solid State Drive/Hard Drive** (Internal)—3 Years
- **Separately purchased 2nd Solid State Drive/Hard Drive**—1 Year
- **Optional Battery**—1 Year
- **Battery Charger/Multi-Bay Battery Charger**—1 Year
- **Stylus Pens & Digitizer Pens**—90 Days (physical damage excluded)
- **SIM cards** (Hardware Only)—90 Days
- Installation or attempted installation of wireless modules by any party other than Panasonic is strictly prohibited and will void the Product warranty. Non-approved wireless modules installations may also nullify the Product regulatory certifications, which may result in safety and compliance liabilities for the user and/or installer.

LIMITED WARRANTY—SOFTWARE

Panasonic does not warrant that the functions contained in the Programs will meet your requirements or that the operation of the Programs will be uninterrupted or error free. Panasonic is not responsible for damage or issues arising from failure to follow instructions relating to the Product's use.

Panasonic's entire liability and your exclusive remedy under this warranty shall be limited to the replacement, in the United States or other Panasonic designated location, of any defective media returned to Panasonic's Authorized Service Center, together with a copy of the purchase receipt, within the aforesaid warranty period.

Android™ Standard OS Maintenance Service

Panasonic will make updates available to customers during the applicable service term consisting of bug fixes and security updates for the Android Products. Updates generally consist of patches to help the Product's operating system ("OS") operate in accordance with the then-current specifications. Security updates generally consist of patches to help protect the OS and the Products from publicly known security vulnerabilities.

The updates will consist of one (1) firmware deliverable per year and may be based on OS bug fixes and/or security releases made available from time to time by Google®, as modified by Panasonic for the Products.

Panasonic will make updates available to customer for the original OS version or future OS versions, as supported on the Products for up to one (1) year after the end of sale date for the applicable model of the Product. Panasonic will continue to provide updates for OS versions so long as there are no technical, legal or contractual restrictions (by Google or otherwise) that would prohibit delivery of such updates to customers.

[For details, refer to Android Standard OS Maintenance Service Description.](#)

Optional: Panasonic Android OS Premier Service

Any Android Product for which the Panasonic Android OS Premier Service has been purchased will receive up to eight (8) firmware deliverables per year and may be based on OS bug fixes and/or security releases made available from time to time by Google, as modified by Panasonic for the Products.

Also, as part of the Panasonic Android OS Premier Service, Panasonic will make updates available to Customer for the original OS version or future OS versions, as supported on the Products for up to three (3) years after the end of sale date for the applicable model of the Product. Panasonic will continue to provide updates for OS versions so long as there are no technical, legal or contractual restrictions (by Google or otherwise) that would prohibit delivery of such updates to customers.

[For details, refer to Android OS Premier Service Description.](#)

LIMITED WARRANTY EXCLUSIONS^{5,6}

There are no other express warranties except as listed above. This limited warranty only covers failures due to defects in materials or workmanship which occur during ordinary, intended use. If a Product unit is sent to a Panasonic Authorized Service Center and no hardware failure is found, the customer will be billed for labor to correct a software issue or reimage the applicable media plus shipping and applicable administrative fees at the current rates set by the service provider.

Specifically excluded from the warranty are:

- All consumable items such as screen protection films, logo badges, labels, cleaning cloths, carry cases, manuals, cables, straps, belts, holsters, tethers, and harnesses and any other options and accessories not listed above or covered under a separate warranty
- The warranty excludes 3 or less faulty pixels on the LCD screen
- Failures related to the product operating system, hard drive or solid-state drive (SSD) image, software setup, software program, virus, other program(s) or file(s) on any drive or in any computer memory location
- Failures due to BIOS settings or changes, as well as any cosmetic or physical damage to the unit
- Any unit or device with a missing or altered model number or serial number label
- Cosmetic damage or any damage which occurs in shipment
- Failures which are caused by products not supplied by Panasonic
- Failures caused by the usage of non-approved Panasonic 3rd party accessories, including but not limited to vehicle docks, mounting solutions, straps, cases, bags, and power accessories
- Failures which result from alteration, accident, misuse, introduction of liquid or other foreign matter into the unit, abuse, neglect, installation, maladjustment of consumer controls, improper maintenance, or modification, use not in accordance with product use instructions
- Failures due to service by anyone other than a Panasonic Authorized Service Provider
- Failures caused by improper installation of options or accessories or due to integration by any company other than Panasonic or a Panasonic Authorized Service Center
- Damage, failure, or loss due to the unit being stolen, lost, misplaced, or used by anyone other than the original purchaser
- Damage that is attributable to Acts of God (as defined above)

While Panasonic anticipates use of Products in certain environments such as nuclear equipment/systems, air traffic control equipment/systems, aircraft equipment/systems,⁷ medical devices or accessories,⁸ medical treatment diagnosis image display, life-support system, or other equipment/devices/systems that are involved with ensuring human life or safety, Panasonic does not permit users to integrate Products such that they become an integral part of the systems found in these environments.

Panasonic will not be responsible for any liability, damages, losses or expenses arising out of or resulting from the foregoing uses of the Products.

Panasonic does not guarantee or warrant that its Products are intended to meet any aviation-related specifications, technological requirements, reliability expectations, or safety (e.g. flammability/smoke/toxicity/radio frequency emissions, etc.) standards that exceed or differ in any material way from the specifications, requirements, warranties or standards applicable to our commercial-off-the-shelf ("COTS") products.

PANASONIC SHALL NOT BE LIABLE FOR ANY INDIRECT, INCIDENTAL, CONSEQUENTIAL, PUNITIVE OR SPECIAL DAMAGES, INCLUDING, BUT NOT LIMITED TO, LOSS OF DATA, LOSS OF PROFIT, LOSS OF REVENUE, OR LOSS OF BUSINESS OR GOODWILL, SUFFERED BY ANY PERSON, AND RESULTING FROM THE USE OF THIS PRODUCT, OR ARISING OUT OF ANY BREACH OF THIS WARRANTY. ALL EXPRESS WARRANTIES SPECIFIED ABOVE ARE IN LIEU OF ALL OTHER WARRANTIES, EXPRESS, IMPLIED OR STATUTORY, INCLUDING BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

Some states do not allow the exclusion or limitation of incidental or consequential damages, or limitations on how long an implied warranty lasts, so the above limitations or exclusions may not apply to you.

This limited warranty gives you specific legal rights, and you may also have other rights which vary from state to state. For technical support or to arrange for service on your Products, **call our toll-free hotline at 1-800-LAPTOP5 [option 1] (800-527-8675).**

For technical support or to arrange for service on your Panasonic Mobile Computer product regardless of your warranty status, call our toll-free hotline at 1-800-LAPTOP5 [option 1] (800-527-8675).

The standard warranty does not cover priority exchanges on xPAKs and keyboards unless advanced exchange service is purchased.

xPAKs are optional user upgradeable hardware expansion packs that provide additional product features like Serial, VGA, LAN and/or USB ports, DVD or Blu-Ray optical drives, authentication readers, or discrete graphic cards. For details on which xPAKs are supported by your product please refer to the Operating Instructions provided with your Product.

1 The extended warranty does not cover priority exchanges on xPAKs and keyboards unless advanced exchange service is purchased.

2 Protection Plus coverage includes advanced exchange service for xPAKs and keyboards.

3 Additional exclusions apply—please refer to limited warranty exclusions section below.

4 Ultimate Care coverage includes advanced exchange service for xPAKs and keyboards.

5 Protection Plus and Ultimate Care warranty programs provide protection against accidental damage. Neither program is intended to provide product refurbishment due to normal wear and tear through ordinary, intended use.

6 Customers who have twenty (20) or more units requiring service are required to contact Panasonic at 800-527-8675 and request Field Engineering assistance to coordinate higher volume repairs.

7 Aircraft equipment/systems include Electric Flight Bag (EFB) systems are defined by FAA AC120-76D or EASA Commission Regulation (EU) No 965/2012.

8 As defined by the Regulation (EU) 2017/745 Medical Device Regulation.

SERVICES & SUPPORT

Our ProServices team can put together a tailored package of services that help you solve specific organizational challenges while supporting IT and mobile workers. We can help:

- 1 Free up IT resources and speed deployment** so that your mobile computers are ready to go right out of the box. Plus, should the unexpected happen and one of your mobile computers require maintenance, we provide overnight shipping to and from the service center.
- 2 Keep mobile workers productive.** Optimize mobile workers' productivity with configuration and deployment services. We also offer accessories and vehicle mounts that make mobile computers easier to use and carry.
- 3 Reduce ownership costs** with three-year standard warranty programs and options for four and five years of coverage, plus an industry-leading low failure rate on our laptops, tablets and handheld devices. This means that a typical three-year refresh cycle can be stretched to four or five years.

MOBILITY SOLUTIONS

Consulting Services

Get your mobile deployment off to a good start by taking advantage of our consulting engineers' years of experience in a wide range of industries and deployments. We work closely with you pre- and post-sale to make sure you deploy the solution that addresses your specific challenges. And once you become our customer, you have access to our 24/7 help desk and our team of field service engineers for more complex issues.

ADDITIONAL SERVICES INCLUDE:

- **Infrastructure assessment.** We evaluate your current IT setup—including imaging processes, networks, encryption and endpoint security—and make recommendations to provide a successful TOUGHBOOK deployment with optimized performance.
- **Product selection for your work environment.** We help you select the right device for your workforce purposes, making sure workers have the capabilities they need and the durability and reliability to support a high-performing team in their specific work environment.
- **Worker ride-along.** Our mobility experts can accompany your workers to observe firsthand how they use mobile devices at the job site or in the vehicle to help validate what device is best suited for the job. They can also recommend process improvements and mounting solutions to facilitate productivity and comfort.
- **Image consulting.** Once the right product is selected, we can review your image creation process. We can help fine-tune the image, recommend Microsoft® best practices and identify any dependencies required for

your application suite. Finally, following this review, we create and test your image for operating system or driver issues, finalizing an optimal image for production.

- **IT staff augmentation.** Our experts extend your IT staff resources by helping you design and deploy your new technology, including device configuration, mobile applications and integration into your IT infrastructure. Panasonic can provide short-term or long-term staff augmentation contracts that enable Panasonic employees to implement recommendations onsite.
- **Training.** We train your IT staff on basic functions such as managing wireless connections, screen calibration, battery management and mobility software applications. We can also provide device and in-vehicle mount installation training so you can fine-tune the user experience (screen brightness, touchscreen sensitivity and calibration, or cellular and Wi-Fi usage)
- **Custom software development and integration.** With new operating systems like Android™ and new mobile technology, a common challenge is how to migrate and integrate these with existing enterprise systems. Panasonic experts can utilize our Rapid Application Development platform to develop and deploy a new Android-based mobile application solution and integrate the solution into your existing enterprise systems.

Solution Services

We can provide complete solution services that support specific industry applications, migrate operating systems and integrate mobile applications into legacy systems. Our ProServices team can deliver a solution that is tailor-made for your specific challenge and work environment. Here are a few examples of our specialized solution services.

- **Vehicle solutions.** No matter what type of vehicle your workers operate—utility truck, forklift, fire engine or police interceptor—we offer custom in-vehicle mounting solutions and installation services. This helps to simplify installation planning and management, to maximize worker productivity and ensure easy serviceability. We help select and install components such as vehicle mounts, vehicle power distribution and wireless routers. We can also supply you with carefully designed accessory and mounting kits so you can perform your own installations.
- **Smart Service Solution.** Our software-as-a service solution uses artificial intelligence to provide a first-in-the-industry proactive analytics tool that lets your IT staff identify problems with the health and utilization of your mobile devices. IT can reach out to end users before they know they have an issue, preventing further escalation. For example, IT might note an unusual increase in cellular data usage, device reboots that exceed normal levels, or battery charging and battery life trends that can identify an issue with product usage.
- **Wireless Connectivity Solutions.** In addition to considering the mix of wireless services for vehicle and other environments, we can also help you implement seamless global connectivity across 180 countries. And we can provide onsite support to first responders to help plan, test, deploy and activate your FirstNet® solutions.

NATIONAL SERVICE CENTERS

It's at one of two U.S.-based National Service Centers that your TOUGHBOOK mobile computers are customized to your specifications. Our service centers have a long history of industry-leading support that includes knowledgeable experts, rapid repairs and exceptional service. Both centers are strategically located for optimal inbound and outbound shipping turnaround time.

NATIONAL SERVICE CENTER FOR LAPTOPS AND TABLETS

The National Service Center (often referred to as Heartland Customer Solutions) is located in Overland Park, Kasas, and provides services for TOUGHBOOK rugged laptops and tablets. Here we prepare your devices with stress tests, imaging, customizations and cataloging before delivery to your workers. And we repair or replace laptops and tablets here—with exceptional turnaround times.

Deployment Services

- **100% guaranteed functionality testing.** Our extra-thorough 48-hour stress testing is twice as long as the industry norm, ensuring that you take possession of computers that will work long and hard for you.
- **Asset tagging and management.** We attach asset tags that we create or that you provide and record the information in a deployment report for entry into your asset management system.
- **Disk image management.** We catalog your Windows® gold image(s) and keep them up to date as you make changes, using them in the initial deployment of your mobile assets and for repairs.
- **Android firmware management.** We catalog your version of Android firmware and support re-installation of a specific version of firmware past service as part of our Android Premier Operating System Maintenance Program. This program ensures your devices receive important security updates and bug fixes via periodically released updates.
- **Online service portal.** We maintain complete service histories on all TOUGHBOOK mobile computers sent in to our National Service Centers. Your staff can monitor this history to identify service trends and potential user training needs.
- **Deployment report.** We create customized, detailed reports for each TOUGHBOOK device so you can track assets and warranty renewals, as well as manage wireless carrier contracts.
- **Accessory kitting services.** We can integrate third-party accessories such as network adaptors, barcode scanners, straps and expansion modules with your TOUGHBOOK computers; perform testing; and distribute your final customized computers.

HANDS-ON DEPLOYMENT AND SUPPORT

Our Deployment Services ensure that your TOUGHBOOK mobile computers arrive in the field quickly and ready to work. We offer two levels of deployment services (Premier and Bronze) ranging from initial services focused on getting your team ready to roll immediately to longer-term services that cover the life of the warranty. We can also design an individual package of separately purchased services that is tailor-made for your particular work environment. Whichever option you choose, you get customized systems that are fully integrated into your organization the moment they land in workers' hands.

- **Custom BIOS.** We work with your organization to customize the BIOS for your TOUGHBOOK Windows devices to any settings you specify and to show your company name on the splash screen.
- **Wireless activation.** We can install SIM cards and coordinate wireless activation with your carrier of choice, so your TOUGHBOOK arrives prepared for WWAN access right out of the box.
- **Mobile device management (MDM) deployment services.** We can provision your handheld and tablet devices within your existing MDM environment, so that all customizations, application downloads and security parameters are configured prior to delivery.
- **Personalization.** We affix your organization's logo to your devices for increased brand awareness with customers.

Mobility Application Services

- **Data and device protection.** Increase control of your TOUGHBOOK computers, even if they are off the network or in the hands of an unauthorized user. This software when purchased and activated provides a persistent connection to all of your computers:
 - Remotely locks the device or removes partial or all data.
 - Reports demonstrated compliance with regulations such as the Criminal Justice Information Services (CJIS), Health Insurance Portability and Accountability Act (HIPAA), and Sarbanes-Oxley, as well as software licensing.
 - Validation that data on the device has remained encrypted and uncompromised.
 - Provides control of the device even if the hard drive or operating system is replaced.
- **Dual-factor authentication.** This software lets you implement multiple layers of log-on authentication to strengthen defense against unauthorized access and can include facial recognition authentication. This offering

strengthens our commitment to assisting our customers to achieve CJIS or HIPAA certification compliance, and supports many forms of physical and logical authentication methods.

- **Mobile device management (MDM) services.** We can help your IT staff implement MDM solutions, as well as deploy mobile devices via MDM that you can monitor, manage and update remotely. Apply security updates and software upgrades, remove unauthorized software, and keep devices well protected and under control
- **Driver distraction software.** Reduce distraction from your mobile device while a vehicle is in motion without interfering with the transfer of voice or data. The app can be customized to display information such as maps, dispatch and CAD, even while in motion, to keep employees informed.
- **Speech-to-text software.** Increase productivity and accuracy with speech-to-text software that helps people in the field dictate reports at a rate of 140 words per minute, twice as fast as manual typing. With this app, employees such as insurance and property inspection agents can file paperwork while incidents are fresh in their minds. Police officers and other public safety workers can use downtime for paperwork while keeping their hands free and heads up to maintain situational awareness.
- **Multi-database authentication services.** Together with dual-factor authentication and speech-to-text software, this offering is part of a three-pronged strategy for a complete solution public far safety customers who are obligated to design CJIS-compliant operations.

MOBILITY APPLICATION SERVICES

Our Mobility Application Services address the unique security challenges of mobile computers, mobile device management and driver safety with software from leading partners. We can integrate them into your system via our Solution Services, deploy them on your computers before they are delivered or you can deploy them later in the field.

NOT ALL WARRANTIES ARE CREATED EQUAL

Avoid potentially catastrophic downtime by protecting your TOUGHBOOK laptops, tablets and handhelds. With a Panasonic warranty and our specialized repair services, you can speed repairs, better manage your budget, offload your internal staff from managing repairs and replacements, and prevent worker downtime. Additionally, your finance staff won't need to worry about funding unexpected repair costs (even for minor repairs) after deployment, helping them budget entire projects.

- **Standard warranty.** Our Standard warranty covers TOUGHBOOK computers from defects in materials and workmanship for three years and includes a priority parts exchange program and repair service at no cost. It provides lifetime access to our U.S.-based technical support hotline; online access to drivers, first-aid disks, BIOS updates, tools, utilities and manuals; free overnight delivery of customer- replaceable parts and repaired units; and access to Panasonic field service personnel.
- **Extended warranty.** Extend your Standard warranty up to two additional years, stretching coverage to match your refresh cycle. Extending your warranty delivers peace of mind, uninterrupted worker productivity and significant reduction in out-of-warranty repair costs and IT workload.

Warranty Services

ENHANCED WARRANTIES

- **Protection Plus (accidental damage coverage).** Augment our Standard warranty with no-fault accident protection. Protection Plus covers one major repair each year. And in cases when the damage is beyond repair, we will replace the entire device. With Protection Plus, your workers experience minimal disruption, and your IT staff doesn't get sidetracked with unexpected repairs. This helps you develop predictable budgets for entire projects without surprises.
- **Ultimate Care warranty.** Designed for organizations that operate in extremely challenging environments or wish to minimize risk for their mobile devices, this warranty offers the ultimate peace-of-mind coverage for unlimited device breakage. With Ultimate Care, you are covered for repairs (shipped overnight to and from our National Service Centers) or replacement of all major computer parts at no additional cost. This service can be customized to provide service-level guarantees for dead-on-arrival devices, help-desk waiting time, repair turnaround and even unit failure rates.
- **Global warranty.** With support for all TOUGHBOOK products in 180 countries around the world, this warranty protects your devices. In addition, a Global warranty covers all freight and duties for international shipments and provides service-level agreements (SLAs) for guaranteed turnaround times. When combined with Ultimate Care, your organization can eliminate the need to set up financial arrangements with international service centers. This helps avoid potential delays of overseas purchase orders or the requirement to pay via credit card for out-of-warranty repairs.

- **Smart Battery warranty.** One of the most common sources of downtime (and frustration) for field workers is a drained battery. Our Smart Battery warranty monitors battery capacity so you are prepared to switch it out when you need to, eliminating overnight emergency replacements and keeping workers productive with fresh, new batteries.
- **Hard Drive No Return warranty.** If your security policies dictate that you cannot return a hard drive for repair or replacement, you can keep your faulty drive and Panasonic will send you a replacement unit. You maintain complete control of your sensitive data at all times, as well as compliance with CJIS or HIPAA requirements.

SPECIALIZED REPAIR SERVICES

- **24-Hour Hot Swap exchange.** Get overnight delivery of a TOUGHBOOK laptop, tablet or handheld if a unit fails. Instead of waiting for a repair, you're immediately sent a device from an inventory of customer-owned, pre-imaged computers stored at our National Service Centers. Meanwhile, you send your damaged unit to Panasonic; we then repair it and place it back into your on-demand inventory.
- **Onsite service.** When you just can't send a computer to our National Service Centers, we can send Panasonic-certified technicians to your location to perform repairs onsite.
